Urban's Beauty and the Beast

I absolutely loved reading this body of work. The dynamic between Duke and Pilar were nothing short of an urban version of Beauty and the Beast. As you read you see how Pilar changes him and opens him up and shows him a side of love he never envisioned. In between their hate/love relationship, Duke shows Pilar what it is to be loved, cherished, needed and wanted. This a great read-a must! Looking forward to see what happens next!

Ooohhhh

Everything done in the dark always comes to the light. Duke did a great job at breaking down Pillars walls but a terrible job being honest. I don't know why Duke dropped that timeline with Edwina so quick if the times didn't match up. Like his secret all hers will spill out if she is being shady. Love the friendship between Swan and Pilar though, they are hilarious and weird at the same time.

What A Read!

Now the drama begins! I'm very concerned because Pilar is going to be very hurt and bothered about this situation that is happening, after all that was confessed to her. I just hope that Pilar will not become a scorned and bitter woman. I just want to know why take her to your country, when you know the consequences? This story is sad, heart warming and beautiful at the same time. Right now the hurt is going to be revealed. That little thing might unleash God knows what on Egypt. On to the next installment. ReneeG! So

This was a good ready. Duke was so mean but i liked him. I just wish he was truthful and told Pilar the truth. Baker i got on my nerves and swan was my girl. Blizzy well he got what was coming to him. I'm glad Swan finally accepted new friends into the fold lol. A few errors by not many.

Omg I loved this book... I loved all of the characters because they were easy to fall in love with. My favorite characters were Pilar and Duke.... This book started off at steady pace and picked up more and more as it went along.. I felt so bad for Pilar because she had a hard time while growing up and no one seemed to care, but her friend Swan.. I didn't care for Brandon at all I think that he got exactly what he deserved, even though I think that he did care for Pilar a little bit but his addiction got the best of him. Duke, Duke ,Duke what can I say about him...hmmm, when he was first introduced into the storyline I thought he was a complete jerk but he kind of grew on me... I wonder if we will find out more about the homeless man Charlie in book 2... The was a true page turner...on to book 2

Her heart & his crown

This book held my attention from the very first page. Pilar is a sweet girl and just had a hard life. Duke should have just been honest. I'm definitely reading part 2 because I need to know what going to happen next.

Her Heart & His Crown

This was my first read by the author and it was a good one. I wasn't sure what to expected, but I knew I loved this Pilar character! She had a DGAF attitude and didn't care what she said. When I was introduced to the character Brandon I thought he was going to be alright but that didn't last for long. Duke! I had a love/hate relationship with him. This was a good read and I can't wait to see what happens in part 2.

Are you serious????!!!

First of all..... how you end the book like that woman????!!! But let's get to Pilar. I'm in love with her. She's

this cold hearted bitch that every girl wishes they could be. And she's not afraid to do what she wants at all, her don't give a damn attitude is everything. And I'm here for every last bit of it. Great job ma'am.

Awesome

Great storyline Bianca. This book had my attention from beginning to end very well written. Pilar is like so many girls who have experienced so much heartache whether it be from relationships or just childhood who build up a wall to protect then being hurt again. I feel Duke was able to get her to lower her guard a little but I feel for Polar once the truth comes to light. I think Pilar will go over the deep ending knowing the man she has finally opened up to is no different from the people from her past. I love Pilar and Swan friendship. Swan is a true ride or die friend.

YVETTE RIVERS says

Duke is the man this storyline was amazingly imaginative and off the hook yasss out freaking standing love the characters

Lovinit says

Best read so far this year.

The relationship started with so much tension but you can tell what will eventually happen. I was sneaking bathroom breaks to finish this book. I definitely need more. Duke and Pilar are both strong minded and strong mouthed so the interactions are interesting.

akeyshia says

Oh no

Pilar has been so much. I love that she has Swan and have added Lee, Mirah as friends. I truly hope that Pilar

don't self destruct when she find what's up with Duke. This may really set Pilar back. I think there's something up with Duke's brother Baraki. He may be the father of Edwina baby. Plz don't let the king harm Pilar because I know she's going to the engagement party.

Whitney says

Amazing!

Reading all the things that Pilar went through literally made me sad. She is a strong girl. Im wondering how she is going to react to the news she just received. Ready for Part 2!!!! Overall this was a really good book!!
