Even as Gendo plots to submit his entire staff to aerobics training, the sinister SEELE has sent Kaworu Nagisa to sabotage Gendo and Yui's more private objectives... which means he's soon enrolling in Shinji's class! Such a pretty boy starts turning heads inside homeroom 2-A, even Shinji's — which causes Rei and Asuka to agree to join forces, on the grounds that Kaworu's presence could cause trouble for NERV. The irony is that, even if that's just their excuse, they're right!

Belle says

Kaworu begins school in this book, so now there's shipteasing for Kaworu / Shinji along with the Asuka / Shinji and Shinji / Rei. :D There's fanservice, and the end of the book will please the Rei fans; that's all I'm gonna say.

I do so love *Evangelion*. Ahhh.

Bridgett says

Nothing especially shocking happened in this volume; I just really love Neon Genesis Evangelion.

Fugo Feedback says

Más pedorro que el tomo 1 pero no tanto como el 3. Este es el tipo de productos que me hacen dudar de los que se dicen fans...

John Keegan says

A step backward from the first volume. The introduction of Kaworu brings with it some ugly homophobia, and Kaworu himself comes across as super-predatory. Shinji wavers between Asuka and Rei, and it's pretty clear that the material going forward is going to perpetuate this state of affairs as long as possible. That said, there are some scenes that are worth the read, especially when the perverted silliness gives way to genuine emotions.

Daniel says

Fan sa za sve sto se tice Evangeliona ali ne, ova sladunjava fan servis pricica ne zasluzuje paznju. Steta. Jedini plus je fin artwork i to je to. Blah. Gubljelje vremena.

Nicola Mansfield says

I enjoyed the second half much better than the first. This volume doesn't have much going on in the lab and is pretty much school stuff with the kids. What I didn't like was that Nagisa was introduced as a gay character and all the gay jokes and having him vie for Ikari is very annoying. I do not enjoy BL at all and it ruins the Ikari/Rei/Asuka triangle. But things got better as Ikari and Rei got closer and got to spend some

time alone when they all went on a class trip to Okinawa. I hope the next volume has a bit of lab stuff and less Nagisa teasing and antics.
