## From Reader Review Saga #16 for online ebook

### Negativni says

*“All good children's stories are the same: young creature breaks rules, has incredible adventure, then returns home with the knowledge that aforementioned rules are there for a reason.*

*Of course, the actual message to the careful reader is: break rules as often as you can, because who the hell doesn't want to have an adventure?”*

? Brian K. Vaughan, Saga, Volume 3

Zatišje pred oluju, u idu?oj kre?e akcija... valjda.

---

### Nicolo Yu says

This is the part of every story where the reader gets comfortable with the main characters' current situation and of course the writer would have to mix up again as the universe catches up to our fugitive family. It is the lull before the storm.

---

### ? Poppy ? says

*omgomgomgomgomgOHMYGOD!!*

*They both are here, in quiento, to kill marko's Family.*

*Gwendonyl is here,*

*Prince is here, shit man, shit !!!*

*I don't even have a certain idea, what will happen now.*

*Gwendonyl has to spare Marko, if she want Will to live. ./ But will she??*

*Just let them hide and be safe, just let Marko & Alaana live Please ./*

---

### Guillermo Morales says

4/5 estrellas.

## **Jason says**

5 stats

After having been away from Lying Cat and the gang for a short time, I returned to the Saga universe with this the 16th edition. This was a fabulous turning point for nearly all the characters. I loved the banter of the witty dialogue between Grandma and the artist and Grandma and the wraith.(I forgot their names)

The story is clearly bringing together all of the story lines and the twist in this episode has me excited for what is next. As I have read more and more in this graphic novel, I have come to appreciate taking it slow, rereading, and looking with your eyes before you fill it in with the dialogue.

I love these comics.

---

## **Aldo Haegemans says**

Calm before the storm?

---

## **Sandra says**

Just when you think things are looking good for the characters, things like these have to happen. Well, you don't see the things happening yet, but you know they would be soon, possibly the next issue.

So far, I am still very much into this series. I am curious to see how these two love birds would work things out when a big reveal was made towards the end of this issue.

---

## **Ginger Woods says**

Can we just say the girl who took Gwens virginity is SMOKING hot? Like hello, I want that.

The pregnant princess looks so cute.

---

## **Liberty K says**

This issue was strong by showing us the feelings and thoughts of the characters but not so strong in the action department. But that end!

Things are going down in the next issue for sure!

---

### **Bananas says**

This was a good portion of my childhood...and my adulthood.

---

### **Vyara A. says**

I really like Gwen. -sigh-  
on to the next one later today cos it's 1:30am and I need sleep ;w;

---

### **Iris says**

LMAO I'm sure that Gwendolyn and Alana meeting is going to be hilarious

---

### **Ria says**

This issue is a real tease for impending chaos - now with only two issues left in this arc, the pieces are in place and the enemies are closing in. I continue to await the inevitable moment when BKV will rip my heart out (and when Fiona Staples beautifully illustrates the pain). Totally worth it though.

---

### **Nicay ?The Nerdy side of a Queen says**

The enemies were getting closer and closer as Alana and Marko were trying to settle down, and grow their own family.

I can't wait to see what will happen to the next installments!

---

### **Irene Sim says**

Ok. I'm really scared to pick up the next issue. I must think this through.

---
