Linda Todd says

A wonderful wee bit of a story that kids of all ages will enjoy. My kids and I loved reading this wonderful story and said they would be happy to read more so my thanks to the Josephine Young & my thanks for the pleasure of reading this wee book with my kids so happy reading to all from wee me. xx

Bethany Phelps says

I received this book for FREE through Goodreads First Reads.

This was a cute rhyming book, with a positive message for young children!

****SPOILER ALERT****

Poor Marty spends the majority of the book searching for his super powers... Only to find out he was a hero without them.

Theresa K says

Thank you to the author, publisher and Goodreads for Marty the Masked Marvel which I won via Goodreads giveaway.

So cute! Even my 12 year old son checked out the book! highly recommended!
