From author's blog::: ""I've gotten a few emails about release dates and such. For those who are curious, here's what the current release schedule looks like (you can click on images to redirect to my website for blurbs, excerpts, etc).

Dead, Undead, or Somewhere in Between will release in November. ((2014))

The Renfield Syndrome will release in February (2015).

Shortly thereafter, The Ripple Effect (and Edge of Darkness will release).

As for other projects...""

So 2016???

Where is the cover?!?!

Danielle (Danniegurl) says

Someone remind me closer to release date and I will read the entire series. Thanks!!

Erzsebet says

Hopefully she writes it! Reminds me so much of Anita Blake Vampire Hunter series, except with less "personal" scenes.

Hopefully she puts it out on ebook or somewhere...as said in last book due downloads, who knows if it will be written, dont punish your fans!!!

Jennie says

Just read on her blog that she is re-releasing the first three books (with added dialogue) first and THEN releasing #4. So looking at 2015 or 2016. Sad about the wait because I just finished The Ripple Effect, but it'll be worth it! Hopefully, this will make her books easier to find. I'm a traditionalist...no electronic books for me ;)

Laura Carson says

F*ck... 2014! Damn, ok...

Izzy says

So after reading that Rhiannon's Law series has been picked up by a publisher and will be re-released, #4 will be coming out 2015/2016.

I would like to say that I'll still be here when it comes out, but I don't think I will be. I'm not happy that it'll mean I will have to wait and buy the entire series again in order for me to be up to date. I'm sorry but I really don't like the sound of that.

It's such a shame but it sounds like I will have to move on from this series and author.

UPDATE MAY 2018.

So, I was going through my list of 5 and 4 star books to find out if I'd missed a release from a good series, and stumbled upon Rhiannon's Law. A small part of me was still hoping #4 would be out already, but alas.

I feel like this book is never going to happen, unfortunately.

2013:
Waiting...

Marissa says

Is this *ever* going to come out?!?!

I am dying for a Rhiannon fix!

Forever waiting...

Yes, I will **still** wait forever.

Aug 2017 Update: Holding on to hope. And still waiting.

D says

We've waited a long time for this. Not too much waiting left!!!

Christina says

Found this blurb from her blog this evening: "I've gotten several emails about this subject so I wanted to address it here. Yes, Rhiannon's Law is not available for sale. Why? I've had numerous people comment on the editing and such of the novels, therefore I've submitted the MS to publishers. So far one has taken a bite and I'm waiting for more information. I'm hoping others might as well. I revisited the material and revised it, so I hope the books are better for all of you. I'm also working on (and have been working on Edge of Darkness). If all goes well you get Rhiannon's series soon. I love this character and want to do her justice. Since the rights have been reverted to me I've been visiting other avenues to release the stories."

So it looks like we will be getting the book(s) eventually just a matter of how soon, I really hope the expected date here is accurate :)
