The Journey: A Calendar Book Allen James

"The Journey: A Calendar Book" is a daily calendar book which can be used year after year (there are only days of the week and months of the year. No year dates are provided). Springing from the author's 30 years of experiences as a student of life, education and daily interactions with people as a psychotherapist and educator, each daily reading is intended to spark in the reader a desire and motivation for a more positive journey to personal success.

Allen James says

Of all of my "Daily Guide to Success" series books, this one is my favorite due to the general audience for which it is aimed. Readers can choose a calendar book just for them (Man's, Woman's, Teacher's, Counselors and Graduate's) or this edition which is filled with readings which are intended for everyone, not a specific audience.
