A Steadfast Surrender

Nancy Moser

A Steadfast Surrender Nancy Moser

Welcome to Steadfast, Kansas. Population: 3,386. A town with down-home values, a fierce gossip grapevine, and a kindly library ghost.

Claire Adams is a wealthy mosaic artist from Kansas City who's on the edge of famous—until she feels called to abandon her life of luxury and her art to start over. Everyone thinks she's crazy. What will an eager, purpose-seeking city woman do in tiny Steadfast?

Sim is a runaway orphan with an attitude and a nose ring. Steadfast has never met a girl quite like Sim, and honestly, they don't know what to do with her. Should they turn her in to authorities? Or is everything she says about her aunt and uncle true?

Merry Cavanaugh (from *The Seat Beside Me*) is a woman with nothing left to lose after her husband and son died in a plane crash—that she survived. Steadfast is a place to start a new life. But has she really moved on at all?

Three females trying hard to order their days. Little do they realize there's no escaping the One who sees their every step and asks for their unconditional surrender. Will they wave the white flag?

They can run but they can't hide from an Almighty God

Christy says

Nancy Moser is in my top 3 when it comes to Contemporary Christian writing, but this story just did not dazzle me like the rest of her library. This just felt cheesy and contrived.

Karen says

Very thought provoking book. The ending did not make me happy.

Michelle P says

This is an uplifting, if somewhat implausible Christian fiction book set in the midwest.

Robin says

I really enjoyed this book. I hope to read more of her books

Danielle says

Encouraging book! Makes you consider your contentedness and if you've really said yes to God in obedience. I'm just glad to find Christian fiction that isn't romance :) Can't wait to read the next one in the series!

Lisa says

Steadfast series / book one

Erika says

Christian author. Interesting take on the idea of giving everything to God. Uplifting read.

Jane says

Claire Adams is rich and successful. But is she willing to follow Jesus no matter what the cost? Searching for

her purpose, Claire gives up everything and winds up in Steadfast, Kansas, where she hides in an attic library and meets a runaway teenager. She's ready for God to use her to do big things, but He has other plans for her -- better plans. Can the entire town throw..

Joshua says

Good book. Christian ethics.

Leslie says

This book took me a little time to get into. (I was reading it post-surgery, so I don't know if that was part of the problem or not.)

The book started off strangely to me, but then I started to enjoy the story. I will even pick up the sequel from the library.

Bubiesmom says

Wounderful

This is an amazing book.i know I want to say yes to God hear am I send me.i give myself to you

Joyce Olij says

Started out exciting, but finishes unrealistic.

Tamara Jones says

This book has a character in it that you can read about in The Seat Beside Me. Nancy Moser writes a good story.

Susan Cherry says

Very good held my attention

Trish Boese says

4* A book that gave me something to think about - how much could you give up if God called you?
