Once a dog always a dog

You would think that being shot would change that no good dog. Tisha makes my butt itch. Dom still doing Dom .Lady Lissa you brought heat to this series, am so ready for part 3

DENISE says

Awesome

OMG can't wait for book 3. Part 2 was crazy and funny. Dom is so full of himself. He irritates me. Tisha silly behind really didn't learn her lesson. She was so naive. Something must happen to Dom. Because the beat down and the shot didn't teach him anything. This series turned out better than what I thought.

?????

Lady Lissa made real life situations even though they were sad it was entertaining at same time relaying life lessons. Anxious to see how Tory will move forward and if Dom will grow up.

Good job! Tisha is young and dumb. I'm glad she has finally at the end seen Dom for the loser that he is or has she?! Dom is gonna end up with something that can't be cured. I can't wait to find out what happens in part 3.

LITerary Plug💜QueenIvy says

This was so bomb OMG this dang boy got a community private lol I can't wait to see how all these couples and friends play out through out this series well worth the read

Cammi Gunter says

Wow

This book is so Freaking good Part 3 WHERE ARE U !! SIS U DID Good please dont have u Waiting in suspense

SweetDee says

Smh

Have mercy!!! The amount of stupidity these girls are just stuck with. Howwww can y'all not have a back bone when it comes to this one dude??? And Tee Tee chose the wrong one to get a back bone with. If you had that back bone when you were "with" Dom you wouldn't be 17 with 3 kids and if I was Reg I would run the other way. Bring on part 3.

Simone says

Great Read

Dom is such a Dog ,9 kids!! When will he stop he really needs to grow up. Poor Tisha he hurt her so bad she cant Trust.loving this Series. Need to get to part 3 fast.

Pat Smith says

SMH

Just when you think Dom can't get any lower, he proves you wrong with his ignorant, arrogant self. I do agree that the women need to take more responsibility for birth control, though. I mean once is a mistake. Lesson learned. I just can't understand this mentality- in Dom or the women. Looks like Tisha may get to happy but Dom's messed her up so bad she doesn't want to take the chance. I can't wait to see what it's going to take to make him man up. Great series.

Kim says

ALWAYS A DOG

OMGGGG DOM HAS 9 KIDS WITH 6 DIFFERENT WOMEN. WHEN WILL HE STOP WHEN HIS MEAT FALL OFF. I THOUGHT HE WOULD CHANGE WHEN HE ALMOST SLEEP WITH THE TRANSSEXUAL BUT HE STILL AT IT. IM SO READY FOR PART 3

Denise Gilliam says

This book was really good it started right where it left off at. I tell you that Dominic really messed Tisha that she about to let a good man go. Dominic is going to get what's coming to him worst then what he got before. Lord and Tisha mother that woman is some type of stupid how can you put a girl out with three kids knowing damn well she can't handle them by herself especially when two of the babies are infants. But sadly it's how slot of grandmother get down they not helping us less it's something in the pot for them sad but true. It's book truly reminds me of a lot of females that are in the world today. Great job Lisa great job now on to the next book

MeMe says

Great Book

This book kept me on my toes and I feel like Dom got what he deserved. He was so busy sleeping with every woman that he saw that he almost slept with a man. When he got shot that should have been a wake up call. Trisha should give Trina brother a chance because he seem like a great man.

Shekie Johnson says

Wow. Poor Tisha... She gone let a good one get away bc of Dominic. I thought he would have changed by now but Lawd!! He has gotten worse... But the roommate though... Smh...

Cocotbaby says

The drama just keeps unfolding in this series. Dominic is still a selfish jerk. It boggles my mind that Dominic still believes all of the women he has children by has trapped him. Looking to finish the series. Hopefully Dominic faces reality before it's too late.

Different but Good

OK, so I loved part 2, ready for 3. Nevertheless, I didnt like the shorthand spelling. I get slang, & text talk, but I think it was a little redundant and somewhat annoying. Pleaseee leave that out of book 3. Overall great book!
