Short excellent wrap of the Agents series with the addition of Cam and Nic, Mel and Danny. Cute and hot.

Absolutely LOVED this!! Available for free to Layla Reyne's newsletter subscribers, we're cordially invited to the wedding of our two favorite FBI agents.

Told from multiple POVs, we get to touch base with all the characters we've fallen in love with over the course of this series and we get a fantastic set up for Nic and Cam's spinoff series....but most importantly, we get to witness Jamie and Aidan begin the next chapter of their happily ever after.

This little morsel had me smiling from ear to ear. I absolutely ADORE this couple and can't wait to see what's in store for everyone in the books to come.

Partners, always.

Everyone gets a point of view on Irish & Whiskey's wedding weekend. Nice little short leading up to Nic and Cam's book.

Now this story, this one I needed and really, really appreciated!

Yes!

I don't know what exactly I expected but this surpassed my expectations. I loved, loved, loved getting the perspective from six different people. I think it was six, don't quote me of course. But yeah, how cool was that little bit of different type storytelling? It was super cool.

Man, it made me even more anxious to dig into Nic and Cam's book!

Congratulations boys!

This was a little author freebie to round out the end of the *Agents Irish and Whiskey* series and though I was definitely missing something by not having read book four, I knew enough to muddle through. And it's mostly just wedding day sweetness anyway.

I wasn't a huge fan of the first three books (my ratings and feelings were all over the map) but being that it's St Patrick's Day and I could pick up and finish this before bed, I decided to read it anyway. And I'm glad I did. This showcased the best of the main characters I wanted to love from the series, teased the next couple for a spinoff that I'm now tempted to read, and yeah it's fluff but it was good fluff.

Wonderful short that includes Aiden and Jamie's wedding and the start of Nic and Cam (I'm so excited for them! Can't wait for their books!) and has some Danny and Mel (although I didn't read their book). Nice little short to get caught up with these guys and set up the next book (or books ;) ) about Nic and Cam. Can't wait! :)

Most excellent visit with the agents at Irish & Whiskey's wedding, plus some amazing artwork of each of the main characters, this short is a real gem and free when you sign up to Layla's newsletter :)

Nice reading about Aidan and Jamie's HEA

*“Later, Boston.”*

*Cam grinned over his shoulder, dark eyes heavy-lidded. “Sooner, Price.”  
Against his better judgment, Nic sure the hell hoped so.*

I want their book like yesterday.

### **Christelle says**

A little bittersweet something to reminisce the main characters of the Agents Irish & Whiskey series and the promise of Cam and Nic's story.
