**Unexpected** Aleatha Romig

\*Paul\*

What will happen... when Jenn learns the truth that has been brewing deep inside me?  
...when she learns my desires have been restrained?  
...when containing them is no longer possible?  
Will she flee when there's no place to run?

Traveling to the isolation of a tropical island, we agree to lay our marriage and our future on the line. It's the only way to face the demons—my demons—that threaten our life together.

For us to make our marriage work, we must break down barriers, reveal the hidden places, and shine light where darkness has taken root.

This reprieve from life is meant to be about us, our marriage, and our future.

It is...until the unexpected happens...

Will our marriage survive? Will we?

This suspenseful, steamy stand-alone novella follows Paul and Jenn Masters, characters previously introduced in the novella UNCONVENTIONAL. This quick, spicy story may be read completely on its own or even before UNCONVENTIONAL.

If you enjoy a fast and furious, heart-thundering ride that leaves you breathless and perhaps a bit hot and bothered, check out New York Times bestselling author Aleatha Romig's THE VAULT novellas: UNCONVENTIONAL and UNEXPECTED.

Have you been Aleatha'd?

\*UNEXPECTED contains the never before seen Prologue of SECRETS, book 1 of WEB of SIN, Aleatha's new dark romance trilogy with an all new anti-hero alpha coming fall of 2018.

## From Reader Review Unexpected for online ebook

### Renita McKinney says

Unexpected is the perfect title for this novella by Aleatha Romig. Twist, turns and the unexpected is always what she brings to the game and she did not disappoint . . . again. And oh yea, this time she brought the serious heat.

Divorce is not always the answer. Sometimes we lose our way and just need the ability to find the direction home. Sometimes we must delve into the recesses of our mind and discover what we need. Sometimes we need to discover what or perhaps who we are.

Once again, Aleatha has given us so much in such a short novella. There is heat, passion, eroticism, angst, lies, truth, discovery, plot twist and shock. But then it is Aleatha and what else would one expect? Well since she gave me all that I could want in a book, I am going to give her all she deserves. No less than 5 stars!

---

### Jackie says

Unexpected by Aleatha Romig was brilliant! Paul and Jenn's story was emotional and captivating. Their story had me intrigued and hooked since the beginning.

Paul and Jen were facing divorce but before signing they decided to give it one more try. They go away to a private island. In their time there they start learning things about each other that they both had hidden from each other during their marriage.

Will their island retreat be what they need to save their marriage or will they learn that divorce it's the next step? Will their love survive their secrets and their future?

Embark in Paul and Jenn's sexy, heartbreaking journey. If it's filled with the hotness, sexiness, and the angst that only Aleatha Romig knows how to give.

---

### Kelly says

Reading Unexpected brought into question how well do you know your spouse? With Paul and Jenn's story, it's more about what wasn't said and the secrets they are both holding on to.

I loved how these two are discovering one another and learning to trust what you can't sometimes see. Being on a tropical island was the perfect setting for a hot, sexy exploration of getting to know your spouse all over again but in true Aleatha fashion, the Unexpected happened.

Did I mention the incredible little prologue teaser for Secrets, book one of Aleatha's new Web of Sin trilogy which you will find at the end of Unexpected? All I can say to this is that she's back baby, the Aleatha Romig I love! I know I'm going to be caught in Aleatha's web with mystery, intrigue and mayhem with this my now most anticipated new series of 2018.

## Tia Louise says

Sexy, thrilling, INTENSE... A sensual roller-coaster tale of a married couple learning to open up, be honest, and reconnect in a gorgeous setting.

Darkness threatens their journey, a trigger warning is included in the beginning, but UNEXPECTED is pure Aleatha goodness. Dive in and enjoy~

---

## Fiona says

This is a short novella that is a quick steamy read. In an attempt to save their marriage Jenn and Paul take a vacation to a secluded island. As the only occupants of the island they are able to start working through their issues until the "unexpected" happens that has the potential to derail the progress they have made. The chemistry between Jenn and Paul is strong both in and out of the bedroom and you want them to work out

their issues so they can have their HEA. I really liked this book, if you are looking for a quick, sexy read then this is the book for you. Additionally, at the end of the book Aleatha gives the reader a glimpse of her new work "Secrets". Can't wait for it to be released. Advanced copy provided by the author in exchange for an honest review.

---

### **Tajana says**

I enjoyed reading Unexpected. This is a short book similar to Aleatha's Unconventional. Both are standalone and they can be read in any order. Each book following one couple.

Jenn and Paul are on the verge of a divorce, but they decided to give their relationship one more chance. 10 day vacation in tropical island where they supposed to talk, open up to each other, be honest and reveal secrets that both of them have.

There is some very hot sex (or should I say a lots of very hot sex), beautiful romantic island and some interesting turn of event.

Will these two be able to get over the issues they have and save their marriage? Read this book to find out.

At the end there is a bonus material from Aleatha's next work. She gives us a glimpse into this new story and let me tell you I am very excited to read that next.

I suggest you get a copy of Unexpected and you will be hooked.

---

### **Jackie Lane says**

In this book, Paul and Jenn are ready to sign the divorce papers and decide they still love each other, but have secrets between them that are become the downfall to their marriage. They have been seeing a counselor and he suggests they go away for 10 days to try to talk to one another and learn about one another again. They are whisked away to a tropical paradise where they are learning to love one another again in a different way. They are the only two people on the island as it is off season. They explore the island as well as one another A tropical storm blows in and all bets are off and the book veers in a totally unexpected direction.

I definitely enjoy read Aleatha Romig's books, they never cease to surprise me.

---

### **Mary Mooney says**

I received a free copy of this book to read and review for Wicked Reads, so here is my review.

What do you do when your marriage is over and all that is left is to sign the divorce papers? You take your therapist advice and go away for a vacation where the two of you can talk about the problems in your marriage.

Paul and Jenn Masters have secrets they are keeping from each other but they thought it wasn't causing problems in their marriage. But when Paul told Jenn his desires, she knew that her past would have to be revealed. While on the tropical island and no one else is around, she will learn Paul's secret and find that she is really alright with his desires too. And it seems their marriage is going to be saved until the unexpected

---

happens.

Can Paul and Jenn's marriage survive what happened on the island? Will they give up and sign the divorce papers after all? Can Paul forgive her for the secret she keeps about her past?

I didn't read UNCONVENTIONAL but I am going to go back soon and read it and see what I missed on this couple. As usual Aleatha Romig has written a story that has you right there, believing and feeling this couples pain and happiness. She knows how to tell a story to keep you entertained until the very end. I can't wait to see what she comes up with next.

## Deanna♥Pink Lady♥? says

### 4 "Saucy" Stars

What a saucy little novella. It was spicy and also very emotional. A couple at a cross road, divorce or try a last chance endeavor to lay all the cards on the table. Either try and see or walk away. And try they decide. Jenn and Paul.....each holding in secrets and one week to let everything out.

On a remote beautiful island, I loved how Jenn and Paul were starting to really open up about their wants and desires. Each holding back on their past. Not sure if the other would be receptive, Paul begins to show Jenn his true self. And their passionate love begins as anew.

But then there is an incident that was Unexpected. It's violent and shocking. I think I would have felt better if it wasn't so violent because the ending felt a little to easy. I know this is a novella but it wrapped up a little too nicely for my liking. But in all, the epilogue brought it to full circle and I enjoyed.

And then.....there is a sneak peak for the author's new series, Web of Sins. The prologue is included for Secret, this first book in the series and boy did it get me excited!! October 30th can't get here soon enough!!

\*advanced copy provided in exchange for an honest review\*

## Heidi Kittle says

Gotta love an Aleatha tale and this one doesn't disappoint. Brilliant standalone but If you're a fan a brilliant follow on to unconventional. Hot, hot, hot with a twist, a sharp unexpected twist. You'll love Jenn and Paul a couple taking time out from their busy lives to secure their future together as a couple in an unconventional (see what I did there?) way. Only criticism I am a sucker for the long haul which is why I can not wait for Aleatha's new dark series beginning with Secrets ? This was such a quick and enjoyable read a fantastic five stars ????? from me, Aleatha'd again.....

## **Cbuckley7 says**

Paul and Jenn Masters are on the brink of divorcing but when they realise the finality of signing their divorce papers they decided to take their therapist advice and have a secluded 10 day retreat to try and save their marriage.

A lot happens on that small island in the novella, good, bad, happy and ugly times, Aleatha writes brilliantly yet again.

---

## **Shayna says**

*“I don’t want to make love. I want to fuck you like I’ve never fucked you before. I want to spend the next ten days making you hear me...even when I don’t speak.”*

There was so much passion, intensity, and emotion packed into this scorching hot standalone novella! Even though I didn’t know much about them going in, Paul and Jenn Masters ended up being a couple I can truly root for! Hot scenes with sexy BDSM elements...a man struggling with showing his true self to the woman he loves...a woman still struggling with her past and everything that comes with it. A darker erotic romance with a suspenseful twist...I couldn’t put it down! Aleatha never lets me down when it comes to this genre! I only wanted MORE!

---

## **Beneath The Covers Blog says**

### **Well, hello there hot, sexy, dirty and dominating**

This story was straight to the point (duh of course it was, it's a novella) it may take you a bit longer to finish though, you might be busy fanning yourself from all the hotness this book brings.

Paul and Jenn are on the brink of divorce both want to try one last time before throwing in the towel and let me just say things get very sexy from there.

it's not completely all sexy and hot nor all hearts and flowers, but rest assure all is right in their unexpected world.

*\*an arc was provided in exchange for an honest review\* ~Alison*

## **Michelle says**

Hot Hot Hot

This book was so good. I always get a lil scared when It comes to novellas. Cause I think I m not goin to get

---

the full story of part will be missing. But this has everything that I wanted. There was even are dark theme to the story. I 've read a lot of this author over this year and I m become a huge fan of her work. This is another book that will be added to get collection.

Paul and Jenn's relationship hasnt been goin well there actually on the point off ending it all together. Until they both decide to take a breakaway to be more open about the thing that they have both been hiding. The secret they both had have need to told in there marriage but need to told it what makes them the people there are. They now both can't keep they to themselves they need to be open to save there when they have alway wanted and that's a Forever.

This story is very sexy with a darker twist. I really enjoyed how Jenn's boundaries got pushed and how there relationship got strong with the new turn in it. Paul is a great character you can feel how much he luvs his wife but is torn with what he also needs. So it is great that he can finally be himself and be The husband Jenn needs. I really liked Jenn as well this woman is so strong she has been through so much and is still strong at the end of it all. I really like them they make a great team and are so sexy together they just being out the best in each other. There are a few dark moments in this book but the author does give a warning but to be honest I read worst. But I like that the author gave me the warning. The book has me hooked from the very start with this book. I couldn't get enough of it. Then there was also a lil teaser from her new book Secrets the new series Web of Sin wow I m dying for more of that it looks so good I can't wait. I would highly recommend this book it's short sexy with a great story and the characters are really good. I luvd it.
