This is a cute little book and my first overdrive app book that I've read. This story is about a little girl and a cat that belongs to her neighbors. The neighbors go on vacation and leave Star with Jasmine but while they are away on vacation Star takes up with the family and at the end gives them all a very special gift for Christmas. To figure out what the gifts are you have to read the story...I hope you enjoy it and no matter your age it's always good to read something young to keep you just as young again... :D

It's a brilliant book!

I think Holy Webb is very talented a writing!

It mainly talks of a adorable kitten called Star and that Jasmine is asked to spend her whole holiday with her. But what Jasmine doesn't know that Star has a secret....

Dorian de Jandreau says

Beautiful, cute story. I truly love it!

Marie says

I'm not sure why I even read this book as I don't like cats!! So for me it wasn't cute but just kind of dumb. I will see how my daughter likes it.

Janeandjerry says

Great story about a neighbor and a cat...This is my first overdrive app book and wanted it test the app out...great on both app and story

Okay, so this book was really odd. I remembered how much I loved it as a kid, and I couldn't wait to read it again, now that I've found it on my shelf, but has this author ever met a cat??? Like, cats are usually pretty different than how Star was.

Some of the problems I had was i was always so confused as to who was conveying their emotions. Third Person Omniscient is a very odd POV choice and was very confusing. The timing of everything was also super confusing. I thought Star was only a few months old, but then she gave birth???? Everything went so

fast. Back to the thing about her giving birth, but when did Star find the time to... y'know with another cat and give birth in such short time??? I don't know.

I did like the art scattered throughout and this would be a good story for children who don't overthink things like I do.

Lenore says

cute little book. Ashlyn had me read it. :)

Camilla says

The story was cute, but Webb has no clue about cat behavior. In the book we get to see from the cats view, but the cat thinks like a human, really a cat does not label things like Webb does for the cat in the book. Also Webb has not done any research about cat health.

One thing that angry be most with Webbs books, is that she writes that humans owns the cats and are treated like things. Animals are not objects.

Ez egy aranyos történet aranyos rajzokkal illusztrálva, egy kislányról, Jasmine-ról, és a szomszédék macskájáról, Cirmir?l.

*** TÖRTÉNET (SPOILERT TARTALMAZHAT!!!) ***

Jasmine nagyon szereti a macskákat, de sajnos a szülei nem engedik, hogy sajátja legyen. Jasmine felfedezi, hogy a szomszédjaiknak új családtagjuk van, a Cirmi nevű macska. Ők ketten összebarátkoznak, mert mikor Cirmi gazdái nincsenek otthon, a cica át-áturran mindig a szomszédba Jasmine-ékhoz.

A szomszédok is látják, hogy Ők mennyire jóban lettek egymással, ezért mikor karácsonykor elutaznak 3 hétre, megkéri Jasmine-t, hogy vigyázzon Cirmire, amit Ő boldogan fogad. A vakáció is kezdődik, és nagyon jól elvan a kislány Cirmivel. Cirmi viselkedése azonban hirtelen megváltozik, és (view spoiler), amit Jasmine nem tud hova tenni, de persze erre is választ kapunk a történet végi csattanóval. :)

Valahol valóság? is ez a mese, hiszen a gyerekek általában szeretni szokták a cicákat, és a cicák is a gyerekeket. Szerintem nagyon jól leírta az író? a cicák jellegzetes tulajdonságait, és hogy mennyire meg lehet Őket szeretni (bizony, Jasmine szüleit is sikerült meghódítania Cirminek ;)).

Ha lesz gyerekem, neki is fogom majd olvasni ezt a mesét (titokban remélem, hogy ? is olyan nagy macskás lesz majd, mint én ;)). De feln?tteknek is ajánlom a könyvet, akik a lelkük egy részében még gyerekek érzik magukat. :)
