The Case of the Video Game Smugglers & 9 Other Mysteries M. Masters (Creator) , Bruce Lansky (Creator)

Twelve-year-old amateur sleuths, and best friends, Hawkeye Collins and Amy Adams love to solve cases. They invite readers to follow the clues and sketches to solve crimes in their hometown of Lakewood Hills. All of the books in the “Can You Solve the Mystery” series contain 9-10 short mysteries. Readers are given written clues as well as visual clues to help them solve the crime. The answers and a brief wrap-up are given in the back of the book.

The Case of the Computer Camp Kidnap; The Secret of the Tomato Pincher; The Mystery of the Unknown Rescuer; The Case of the Video Game Smugglers; The Mystery at Mill Creek Bridge; The Secret of the Author's Autograph; The Mystery of the Rainy Night Robbery; The Mystery of Amy's Disappearance; The Case of the Sloppy Vandals; The Secret of the Ancient Treasure. Part 3: The Mysterious Message

Yoan says

I read these series (hawkeye and amy adams) when I was 9-11.

I was so curious to solve the mysteries using Hawkeye's sketches that contain important clues. At the end of the book, you can read the solutions in a mirror.

librarygrl says

This was the BOMB back in the day. I was addicted to video games Nancy Drew and this book fed my reading addiction. Great mysteries with some nice 80's illustrations. I'm going to cry.

Des says

Buku-buku M.Masters memang selalu menyenangkan untuk dibaca. Bahasanya ringan dan cocok untuk menjadi bacaan anak-anak. Di seri Detektif Cilik buku ketiga ini, M. Master juga menulis beberapa cerita lainnya; Penculik di Perkemahan Komputer, Kasus Maling Tomat, Misteri Penolong tak Dikenal, Kasus Penyelundup Video Game, Kasus Aneh di Jembatan Mill Creek, Teka-Teki tanda tangan pengarang, Misteri Perampokan Sewaktu Hujan Malam-Malam, Kasus Amuy yang Tahu-tahu lenyap, dan Rahasia Harta Kuno yang merupakan sambungan dari buku ke 2 Masters.

Hal menarik lainnya adalah, jawaban dari semua kasus yang Hawkeye dan Amy pecahkan itu ditulis secara terbalik. Saya masih ingat ketika saya pertama kali membaca buku ini (saat saya masih SD-kalau tidak salah), saya sering memakai kaca pembesar milik kakek saya hanya untuk meliat jawaban dair tiap kasus mereka. Ah, rereading this book defo brings the joys back!

Jackson says

I did not like this book at all, I thought that you read the book, and try to guess the mystery at the end. This is nothing that I thought it would be.

Gabriel says

All of the books in this series were amazing, very good brain exercises for young people. Can't say much else, since it was ages ago that I read them.

My edition was a Spanish translation from Editorial Timun Mas, in which this is #9.

Dharmantaran says

seri detektif pertama yang pernah saya baca. Hawkeye selalu menggambar petunjuk kasus dan jawabannya ada di belakang buku, terus jawaban harus dibaca pake cermin (yah dibaca dari halaman sebaliknya juga bisa sih)

Rebecca (whenallotherlightsgoout) says

After reading the Encyclopedia Brown books, I found this series. I flew through them. I loved the use of pictures that Hawkeye drew to solve the mystery.

Partridge Public says

Masters, M.

Rachel Parrott says

What fun. Great for engaging the imagination of the curious grade schooler in your life.

I won a copy through Goodreads First Reads program.

Sondang says

Of course I love all these books...

And when I was reading it back then, I kinda hope someday Amy would be Hawkeye's girlfriend.

I know it's so lame, but just like I wanted Remington Stelle married Laura Holt, well I can always hope this one could make it too..

dini sagara says

ini buku yang saya baca zaman masih pake seragam putih-merah..kocak banget, karena setiap kasus ada kunci jawabannya di halaman2 belakang.tapi dicetak terbalik. jadi, kita harus ngelihatnya pake cermin.

Nura says

sekarang ga perlu cermin buat baca jawabannya kayak dulu waktu masih SD. udah lancar baca tulisan kebalik.
