Thank you Kyle Adams for this fruity story! It's great, funny, free, and too short!

Though very small, we can learn other uses to bananas on its lines!

Susan65 says

Seriously, is there another author that consistently bats it out of the ball park with these short, off the wall, belly laughing mini stories? I don't know what Kyle Adams eats for breakfast to make him so nutty, but it's great and we all need a break now and then just to enjoy the craziness that comes out of this authors head.

Yep, it's sexy, hilarious, and fruitastic....so suspend your seriousness for a moment and laugh a little :)

Tina says

Kyle did it again! I will never look at a banana quite the same way again... Ever! Dirty Vlogger is great, sexy, hilarious... and free!

My favourite quote:

"I smell like banana pudding."

Exina says

Hottest cover ever!!!! Too bad the story doesn't come up to it.
It's okay, just not intense enough.

How can you give a teensy free story a five star rating? I hear you say, well when its a Kyle Adams story it gets 3 for the length, 1 for the fact that wether its a novella, just a short or like this one bitesize, a 'Dirty' story never fails to make me grin like a loon and laugh out loud at the characters antics, because Kyles sense of humour shines through every time, and finally the last star goes to this one because lets be honest bananas make great smutty fodder! All that adds up to five star enjoyment for me.

Take one absent boyfriend, a horny vlogger and of course some kinky banana useage and you've got yourself a sweet, cute, smutty, but still romantic little interlude that might not keep you glued for hours, but it should leave you smiling and if you've not read Kyle before then it'll probably leave you on a quest for more... and guess what? Most of his others are free too!

When Mr Adams writes, I read and I'm never disappointed, I love to laugh and he fulfils that every time... Oh and his love scenes are hot! And did I say they're free? Go read them, if you don't like them you've lost nothing but I'll be surprised if you don't end up in the Dirty Lovers Club!

It is officially released Here! at The Blogger Girls

And now available for free download at Smashwords

Update:

This is releasing tomorrow (Friday January 3rd) at The Blogger Girls new site.

I'm really excited about it, for a couple reasons. I think this could really revolutionize how people see and use bananas. Sure they taste good but have you tried using them for other things? *winky face* Also I was thrilled when The Blogger Girls asked me to write a story for their site. It has been fun watching the site launch into the new year.

Old News:

This will be a free story coming in January. I found this cover image a long time ago and have been wanting to write the story to go with it. I'm happy to say I finally did and glad I can share the cover.

Amy says

Short, smutty and FREE!

Trix says

Bananas have always been used as a sexual symbol. But Kyle takes it one step further. And it was hot. I'm hoping no one will notice if I blush at the sight of a banana in the near future.

Kevin was adorable. He just came off as sweet and lovable with his strong infatuation, willingness to obey Elliot and enthusiastic in making his boyfriend come home sooner.

Wouldn't mind reading more of them. 3.5 stars

Mandy*reads obsessively* says

oh my, this cover and Kyle's writing...I can't wait!

It's **out** people, go forth and read! :)

Well, it's official, I will **never** look at a banana or a banana peel quite the same way ever again, and considering I handle at least one banana a day (not like **that** you perv!) that's saying something.

This story is exactly what the cover *oh and **what** a cover* suggests.

It's short, hot and fun banana porn.

Bev says

Another freebie from Kyle...does he have a fruit fetish I wonder, hehe?? Dirty Cop is still my fave, but 3.5 stars from me and thanks for the New Years gift. Smooch.

Lena♥Ribka says

I've read it to my morning coffee...

Well, a newspaper would have been a better choice.

For me.

Catherine says

I guess jerking off into a banana peel just isn't my kink.
