This 30-day devotional guides the reader through the books of Psalms and Proverbs. I found it to be inspirational and insightful. I loved it.

I won "Beside Restful Waters" on Goodreads First Reads. I enjoyed Karin's book so much. She writes passages in it that made me focus my thoughts and my life. Sometimes we get so caught up in day-to-day life and forget what's truly important. Thank you, Karin, for reminding me of those things.

Beside Restful Waters by Karin Peavy is a quick reading devotional. It is simple and easy to follow. While the book has a couple of editing errors, it is also very large print almost to the point of being distracting. The title of the book gave me the impression that it would read like a book rather than a devotional divided into 30 days. Since it was so short, it may be better received if it were longer than 30 days and not so large print. All of that being said as a reader giving a review, I felt the best part of the book was the prayers that came at the end of the day. Each one was short, to the point, sincere, and very heartfelt. The prayers put God first - and that is what it really is all about.

Christine says

This book contains 30 Bible truths for each day of the month. Each truth is a positive message to help reacquaint the reader with their faith and with God. The truths are a couple pages in length each, and have associated Bible readings listed with them. This book has nice large print to make it easier to read.

There a couple minor typos, but other than that I enjoyed reading this book. I found that I would read a few days at a time because I found the lessons inside were interesting.

Overall, I liked the gentle and hopeful messages that Beside Restful Waters presented to the reader. It was a pleasure to read, and made me feel more peaceful.

I received this book through Goodreads First Reads. Thank you!
