The Pleasure Trap

Niobia Bryant

The Pleasure Trap Niobia Bryant

Introduced in Niobia Bryant's bestselling Mistress series, he's the ultimate irresistible temptation. And he's always in control. Until now. . .

Pleasure is his name, one that women whisper--and scream--with desire. As a popular exotic dancer and top escort, he strokes his clients' deepest longings and fulfills their every sexy fantasy. His climb has taken him from the streets' most lethal ride-or-die ladies to the even more dangerous world of wealthy, powerful women. All along, he believed leveraging his chiseled body for a life of luxury would help him outrun his tormented childhood and bitter distrust. . .

But now a mysterious woman he doesn't recognize has him at her mercy, determined to punish him for reasons he doesn't understand. Saving his own life means Pleasure must figure out which of the women from his past has a deadly obsession brought on by either the insatiable passions he ignited or the pain he caused. And when a long-buried secret arises, will he be able to survive? Or will facing it completely destroy him? . .

Praise for Niobia Bryant's Mistress series

"Enthralls to the last twist." --*RT Book Reviews on Mistress, Inc.*

"I love how Niobia takes these characters through hell and back, while entertaining us from beginning to the very end." --Cydney Rax on *Mistress No More*

Alecia Dean says

Pleasure Trap is a story about the life of Graham "Pleasure" Walker. The book starts with Graham as a troubled high school student, who is moving in with his dad so he could improve. While he was with his dad, he started to mock his dad's lifestyle of sleep with different women. This had a major effect on his life. But something else had a bigger affect on him. Graham was abused and molested as a child at church by another boy. As time went on he continued to his bad lifestyle till he thought he was in love. But come to find out the the women was using him to sell his body for money and to have him hooked on cocaine. Thats when Graham began to call himself Pleasure. Also that is when he started to work as a stripper. Pleasure had a favorite customer that only came once a month. Soon she began to come more often; and he would make that he satisfied her every need. This caused him to slowly have feelings for this women. He was so serious to the point where he stopped stripping and selling his body for her. Pleasure would do anything for her even protect her. One day his feelings for her was tested when a female from the past named Quinn came to Pleasure's Apartment to visit. Which was crazy because Quinn was actually the same person who used to abuse him when he was a child. Pleasure took wounds and cuts to protect his family and his love to the point where he had to step away from his love for her safety and get his life together.

Ri says

I really want to give it 3.5 stars but because I am a BIG NB fan, I rounded up to 4 ;-). This book, whose main character was first seen in the Mistress series, was sort of the "4th" installment but it wasn't as good as the first 3. It was good but the end wasn't what I was hoping for lol. I LOVE NB books so this one was just SLIGHTLY disappointing. It's worth reading though, I'd never discourage that.

Tiffany says

Graham Walker was known to many women as Pleasure. Graham went from being a exotic dancer to being a well paid escort. While being an escort he meets many different women but only one could make him change is ways. Graham is faced with someone from his past who wants to do him harm but he has no clue who it is. After facing this he will have to come to terms with things from his past. I thought this was a good read and I was surprised by who the person from his past was.

Tru Essync says

Never judge a book by its cover, although cliché, very true. Pleasure finds himself in a very compromising position and wrecks his brain to figure out his captor. All of the obvious suspects have motive but the least suspected rocks him to the core. You'll definitely need to read between the lines to appreciate the outcome. The spin put into this novel leaves me wanting more but I must admit that I am a greedy reader.

Me'Tova Hollingsworth says

I am so surprised that I had the hardest time getting into this book. I was very disappointed that my first meeting of Pleasure was not a real turn on. This book was very wordy, and I thought the author would never get her point across. I had to drag my way through it; therefore, I would rate this book 3.5 stars. I rated it a 4 on Goodreads, only because of the ending. The story did not pop til the very last chapter.

Cherida Franklin says

This right here!!! STRAIGHT UP THE BOMB!!!

I couldn't put it down!!! The crazy just kept calling me!!! I was up till 6am tryna find out who the crazy was!!! READ THIS ONE!!! The sex is off the chain too!!!

Nicole Hughes says

I was a little disappointed with "The Pleasure Trap". Definitely not one of my favorite Niobia Bryant books. I think this book had so much potential however it fell a little flat with the story line. I would not say this book was predictable but I knew Lionel would pop back in Pleasure's life at some point in the book. I also knew the woman whom he did not sleep with would be the woman with major psychological issues. The ending really had me confused and unhappy. Lastly I hated that so many women in this book came across as shallow, self absorbed and just plain silly.

Bridgette Hennings says

Hot very hot... another book I enjoyed with Audible. This book was kinky with a Twist. It does a lot of jumping back and forth between present day and the past but it was well put together and it makes sense.

Teresa Mcmillian says

I enjoyed this via audiobook. This story details Pleasure's life and the struggles he went through to become the man that he is. Someone has drugged Pleasure and is holding him captive. The book starts with Pleasure trying to figure out who it is and there are flashbacks from the past throughout while he goes through his memory of his past relationships. I was definitely surprised to learn who that person is!

Sandi Hemming says

Interesting...at times.

Demetri Carter says

OOOOOHHHHHHH!!!! what a great read. A page turner that's hard to put down. UMPH, UMPH, UMPH. Wasn't at all what I expected. I NEVER read the back or inside covers of a book; takes away all the fun. So this was well worth the wait!

Carmen says

I have read some good books that were not Ashley and Jaquavis or K'wan(my favorite authors). This has become another good read! I did not expect the out come. I feel bad for Graham because he was dealing with some serious issues from his past. I am going to read the others book from this author to get history on Jamie.

P. says

Enjoyed reading about how Pleasure became Pleasure. Wow, with a dad like that how could he not turn out the way he was a hoe. And because of his actions and how he treated women couldn't figure out who is his tormenter was. I knew from how she suddenly disappear from the scene who the woman was but was not expecting whom it really turned out to be. Good read, took a little longer to get to the point than other books in the Mistress series. But I kept reading so definitely worth the read.

KayBee's Bookshelf says

I listened to this via audible. I enjoyed this much better than I did my first book by the author which was Message from a Mistress. I'm listening out of order. The characters were developed as well as the plot. Sometimes with flashbacks, the flow of the story is disrupted. The way the flashbacks were the focal point and the present was presented as "interludes" prevented the interruption. it was obvious who was going to be the stalker, but there was still an interesting twist to that revelation.

Shea says

I won this book off the Goodreads giveaways page (it was free) and I wish I hadn't entered to win. I didn't finish reading it because the main character is a huge jerk. I mean at the beginning I cut him some slack because he had stuff happen to him but after a while you're just like, "Really, really did you have to do that?" Then the way the book is set up kind of gives you a hint to the character of Graham "Pleasure". It's set up where the chapter titles are the women he has wronged. So if you can't stand horrible main characters don't read.
