## Horse Talk Bonnie Bryant

When Willow Creek Junior High School gets its own radio station, The Saddle Club goes on the air! Hosting a call-in show, however, is a lot more difficult than they ever imagined. At first, nobody calls. Then Stevie's brother Chad gets his friends to call with silly questions. The problem is the girls can't tell which questions are serious and which ones aren't. Then a caller tells them about a horse in trouble. Is the call for real? Or is Chad up to his old tricks again? The Saddle Club has to find out and save a horse before it is too late.

Bonnie Bryant is a brilliant writer of horse stories - some of my favourite childhood books.

HORSE TALK is no exception. A brilliant book apart of a brilliant series by a brilliant writer.

A pretty fun horse-themed book! This time the Saddle Club takes over a 1-hour radio show for four weeks. It doesn't start out well and quickly becomes pranksters' delights. We get a plot twist about halfway through -- the Saddle Club has the chance to save a horse (and their on-air reputation!). This is an excellent book.
