Cameron 7: The Finale

Jade Jones

Cameron 7: The Finale Jade Jones

Cam, Jude, and Jag are back in the riveting, final installment of the "Cameron" series. What started out as a new beginning soon turns sour after the love of her life becomes her worst enemy. They say 'the grass is never greener on the other side' and now Cameron finally realizes that...but is it too late? Will Jude be able to right his wrongs in time to save his wife? After all, he's part of the reason she landed herself in the situation she's in. Haunted by his past actions, Jude gets a crash course--eventually, in due time, you reap what you sow.

In this dangerous game of love, who will come out the victor and who'll be left broken-hearted?

La'Nita Necole says

Happy in Love

Cameron & Jude went through it all, they relationship has been tested and tried by fire but still they survived. As for Juicy she was how many women are, tired of hoping for true love and companionship that we settled but too bad it's a regret she will remember for the rest of her life. I'm on to the finale of the Cameron series.

Brittney Green says

The Truth!

Finally a happy ending so I think! I can't help but think that the drama never ends...I loved reading about Jude & Cam's growth. They have truly come such a long way. I enjoyed the other characters as well. Poor Juicy, I feel so bad for her!!! I hope she gets out that jam & Lil Roxie should tread lightly as well!

Marie Morisset says

Avid Leo Reader

To me the finale fell short compared to how part 6's cliffhanger left me on edge. Here we find Cameron held by Jag's cruel and evil filled grasp. Nonetheless, Cameron never gives up hope and continues to persevere despite the abuse dealt by Jag. She has to remain strong if she wants to reunite with her one and only true love, Jude. Meanwhile, Jude is sorely missing Cameron and his family. This dark period will force Jude to recognize what's important in life and not to take our loved ones for granted. Even the secondary characters are going through their own hardships. Roxie and Magyc can't seem to make any serious headway in their relationship due to his philandering ways. Juicy thinks she finds love and commitment in the arms of the smooth talking Rico , only to find herself in the worst predicament ever. Well read and find out what is in store for all these characters when it comes to finding and keeping love. These were my reasons for my generous three star review. One, the abuse, I felt Cameron has suffered enough. Two, at times it seemed the author didn't know what direction to take with the book. Three, there were loose ends that weren't connected since the story line was so scattered. Four, the overuse of medical jargon in the book. Five, editing issues along the way. To be honest, I'm glad the series came to an end because it would definitely be hard to resuscitate it.

"Cameron 7: The Finale" by Jade Jones

My Thoughts...

All I can say is that author really knows how to bring a series to a perfect close. Well done is all that is left for me to say about this wonderfully written story of Cameron and Jude. Now, so complete the story the readers from Roxie, Magyc, Michael, Juicy [Diane], Tara, Jag, Alessia, Rico, Kwon [and I am sure I have left someone out] giving the readers one interesting series read! e There are seven in this series and this was the last one and I would definitely suggest if you haven't read the other six...do so to really understand it all! Be ready for a little bit of it all from love, killings, betrayals, steamy hot sex, fighting, and so much more before well... I will stop here and say to get it this wonderful 'Cameron 7' to see how well this author brings out this ending so well to her readers. Would I recommend this series? YES!

This was a read from my January Amazon Prime.

Desirer Dollar says

Yes, I was team Jude and Cameron all the way! I'm so glad that love conquered all. This series really shows what marriage is all about... the trials and tribulations are there, but it's up to both people to want it, and work towards it.

Juicy ended up getting screwed in the end. She was truly naive, when it came to Rico, and she definitely end up paying the price. It really upset me... she didn't deserve that. She was blindsided, and caught off guard by it all. There were plenty of red signs, but she never paid attention to it

Magyc ended up messing up the best thing he ever had, screwing everything with a hole. He took Roxie for granted, in believing that she would always be there. After all the damage that he caused, he never was man enough to admit to any wrongdoings. He wanted to have his cake, and eat it too, but when a woman's fed up, there's not anything else you can do about it. He made his bed hard, now he has to lay in it.

Cameron was a really good series, but there should be a new editor. After the second book, there isn't any excuse on missing words, misplaced words, and that level of punctuation, it's completely unacceptable, however, the characters in the book, had me going through the motions, and the plot was everything...Ms. Jade Jones, you are great at what you do, but please get a new editor! I look forward to reading more of your books, and thank you.

Hot Hot Hot

This whole series was off the hook. I really enjoyed all 7 books. That's really messed up what happened to Juicy like dam all them years for someone else's doing. What a shame. I hope something bad happens to Rico and those trifling girls. I'm sad that Roxie and Magic broke up but I'm happy she walked away from his

cheating ass. I'm happy Jude and Cameron worked out and everyone is safe and sound. Jag got exactly what he deserves, dam what a sick man. Must Read.

Syretta Adams says

#TeamJudeandCameron

I didn't think that dang Jag was ever gonna die.. Poor Juicy got the raw end of the deal but you live and learn. I actually hope Majyc and Roxi will make it.. I've read all 7 books including the 2 in between in 5 days. Now on to the next part of the series..

Jody Andrews says

This finale was good. Not as good as part six but it was still good. I for one am sooo glad this series is over. This couple is the most stressful couple ever. LOL. I've never been a fan of Cameron. You might say I hate her guts, but in this finale, I can say that I respect her now. She finally grew up. It took her seven books and two novellas to finally act like a respectable woman and not some naive slut who allowed people to take advantage of her. My boy Jude, did his thing. He fought for his family. And I was really glad with his decision in the end. He knew what he needed to do because that life only brought him trouble and heartache. I really didn't think it was possible for those two to every get on the same page, but they did it. Jag and his sister showed out. They both were crazy. In the earlier books of this series, Jade did a masterful job in painting Jag as the Knight in shining armour. He was Cameron's white knight. Her rescuer. Some of her readers fell for it. They jumped on his bandwagon real quick. Now look what happened. How do you feel about your white knight now? No one took the time to think that all the things that were happening to Cameron were because of the decisions she made. Roxie and Magyc, I don't even know what to say. Magyc just can't seem to get it right. He's not ready. I don't blame Roxie for moving on. I'm just not sold on who she may be moving on with. This dude Kwon is already starting off telling lies, so how good of an option can he be? Poor Juicy. I actually really like her but she is always looking to hook up with a Boss but she definitely bit off more than she can chew. This can't be the end for her. That was so unexpected. I did not see that coming. I feel a spin off coming. All I ask is that Jade give us some time to catch our breath. This series....WHEW!!!

Shannon says

Can & Jude

I love this with me having so much going on I should have been done with this book but in all this is the real deal can't wait to read my next book

Valerie says

Wow, what an action packed, well written ending to this series. I was entertained and on the edge of my seat the entire time. Jade really wrote her @\$%^ off for this one.

THat being said...#JadeJones step in my office please... How you gone make me fall in love with #JuicyandRico and then throw that type of ending in there? #icant I'm still in my feelings... Please tell me Juicy will have a follow up book or something...

Bring on the next #JadeJones

Vermille Crumpton says

Great ending

Man ole man what a great ending to a great series...Cameron and Jude has been through the ringer during the whole series from the up's and down to the high and lows..but I'm soooo freaking happy that everything worked out for them and they had a happily ever after...I really wish magyc and roxie could've made it even though it's his own fault I just wished they could've worked it out...poor poor Juicy now that was messed up what happened to her Rico didn't have to do her like that geeesh...

Great job as always ms Jade #youarethebomb

LaSonya says

This series was totally off the chain. Not one boring book in the bunch. Hate to see it come to an end but such is life. On to reading other books by this dynamic author. Happy New Year, everyone!

Cocotbaby says

Great series!!! I didn't expect the outcome Juicy, Magyc & Roxie. You can't be blinded by greed to live your best life.

Twig718 says

Cameron

This was a hard series for me to finish. I really hates the main character. But I love the ending sort for some tragic for a few but great ending.

Rhonda Bratford says

Amazing Read!!!!

I love the whole series of Cameron and they couldn't ended no better so now I'm off to read Wife of A Misfit Miss Jade Jones you go girl!!!!
