## **Ride Me Dirty** Parker Grey

I'm in love with the boss's daughter.

Emmy Winchester's *completely* off-limits. Not only do her parents own the ranch where I work, she's not the kind of girl I should be with.

She's too sweet, too untouched, too pure. Emmy deserves a gentleman, and I'm *anything* but gentle.

But I can't deny that her wide-eyed innocence makes me *want* her. Her sweetness makes me want to take her until she screams my name with those perfect, plump lips.

I need Emmy to be *mine*. I *need* to dominate her, control her, have her in every single way that I can.

I should resist, but I don't know if I can.

## **I've always had a thing for cowboys.**

Colton True has been my crush for longer than I want to admit — and now he's *here*, working at my parents' ranch again.

He's rough, rugged, and *beyond* handsome, with a body carved by wrangling horses and sweating in the sun. But then, I know a *man* like that would never want a girl as inexperienced as me.

But when he finds me in the barn, puts his hands on me, and whispers *filthy* things in my ear? Things that no one's *ever* said to me before?

Well, I'm not so sweet that I can't be dirty sometimes...

**Ride Me Dirty is a complete, standalone novella about a rough, dominant man who falls *hard* for a sweet, innocent girl - complete with tons of cheese and a super-sweet Happily Ever After ending.**

Another good book from this Author I enjoyed reading could not put down ,wanted to know what happened next. Colton True works on Emmy Winchester's family farm for her parents when she comes home they both feel a connection . What happens between this bad boy and the virgin he wants? I received a free copy of this book and voluntarily chose to review it.

Sizzlin Cowboy 3\*\*\*

Colton True is back in town and working at the Saddles and Spurs ranch, where he was an employee years ago.

Emmy is a college graduate with a degree in graphic design, but there weren't many job prospects, so she is also back in town working at her parents ranch. Little does she know her forever crush Colton is back in town and working for her parents again. They both get the surprise of their lives when they see each other. Colton is shocked at how grown up Emmy is (she was a young girl when he previously worked at the ranch). Emmy is shocked to learn that her feelings for Colton are the same.

---

These two get together very quickly. After Emmy, the not so innocent virgin intrudes on a private moment; Colton even with reservations, not only about her being the boss' daughter, but also thinking Emmy could not handle the way he likes things, and the fact that she may be too young and innocent for him, is still unable to stop himself from being with her.

They get involved in a secret, no holds barred scorching sexual relationship. Colton is overjoyed at the fact that even though his little Emmy has a slightly shy side she is totally onboard with some of his darker needs.

These two were made for each other and their feelings develop quickly. Colton has never felt this way for anyone and Emmy has never stopped having feelings for Colton. They see each other whenever they can, but there is always the concern of getting caught by Emmy's parents.

**Good**

'Where is this place?' asked Nikki. 'I've been wondering that ever since I woke up here.' Joseph explained. Then he turned to Gill and added, 'Don't worry. I'll go to the hospital with the inspector.' 'Of course. And ring me with an update, okay?' Joseph carried Nikki out to the ambulance and waited while the crew checked her over and made her comfortable on a stretcher. She saw him pacing impatiently outside the vehicle and smiled to herself. When she'd looked into Carla Duchene's empty eyes, she really hadn't expected to see him again. The thought had been almost too much to bear. Nikki always maintained that she was a loner

### **The Prodigal Cowboy Gets His Woman**

Colton, the ranch hand who returns home, finds it hard to resist ranch daughter, Emmy...but the feeling is mutual. There's an age gap to deal with, small town politics, parents who are also employers...for as much steam as there is, there's an accompanying level of story. This novella has a plot, and characters who go through real changes to be together.

## **Jessie Bee says**

The opening chapter and their meeting was interesting for me to get hooked to the book. Poor girl has to deal with strict parents while maintaining a relationship with hired help.

Emmy is a recent graduate from college with a graphic design degree who is home for the summer on her family's ranch looking for a job and working. Colton is an older man who works for Emmy's parents as the formen on the B&B dude ranch her family own and run. Emmy has always had a crush on Colton since she was a teenager so now that she is home again all her feelings are returning. Soon Emmy and Colton are sneaking around so her old fashioned parents are unaware that Emmy is no longer a virgin. This book was a hot and sexy read and I enjoy reading Parker Grey's books. I voluntarily received an ARC in exchange for a honest review.

## **Laila Viking says**

Emma has a long time crush on Colton. A relationship between them will not be the easiet one because of Emmas family.

This is the third book from Parker Grey I have read. It is always very difficult to write a new book because the readers have expectations. And mine was high!

But Parker Grey without doubt did it again. It is just as great as the two first books. I just love the way the

stories are build and that the book from the beginning has a way to capture you so you just have to keep on reading.

I enjoyed this book very much. Love the virgin/cowboy theme.

This book has lots of sexy hot scenes. I admire the way Parker Grey can write hot scenes and still make the reader grinning.

Short story that is well written. Looking very much forward to reading the next one!

I voluntarily reviewed a free advance copy of this book.
