At last, Kanzaki meets Suwa! It's a chance encounter, and while Kanzaki quickly figures out who Suwa is, Suwa doesn't know about Kanzaki's connection to Kei. But the big shocker is the answer to the question of why Suwa hasn't been around for a while. What tragedy befell him that led Kei to become so obsessed with Kanzaki's well-being -- and what impact will his reappearance have on Kei and Kanzaki's relationship?
