Baby Donor Beau Brown , Beau Ryan Brown

Omega Ace Hamilton has a horrible case of baby fever. Working as a receptionist at a fertility clinic only makes things worse because he sees pregnant omegas day in and day out. It's agony watching those happy couples glowing with excitement, when the odds of him ever having a baby are slim to none. He could never afford the artificial insemination procedure, and no alpha will ever get him pregnant the old fashioned way because his younger brother was born with a birth defect. Ace is considered damaged goods by default.

Alpha Wyatt Williams is a donor at the fertility clinic where Ace works. The sexy receptionist catches Wyatt's eye, and when Ace shares his sad predicament, Wyatt offers to help him out by giving him a baby the natural way. Wyatt doesn't admit it, but he's thrilled at the idea of sleeping with the irresistible omega. However, Wyatt makes it clear he wants nothing to do with the pregnancy or the baby after the deed is done.

Ace really wants a baby and he really wants to sleep with the sexy alpha too. But he's not sure whether he'll be able to keep his feelings out of the equation. What he truly wants is a real family of his own, complete with an alpha and a baby too.

This is a sweet and sexy, contemporary, non-shifter love story with mpreg and a HEA ending. Though part of the Poppy Field Mpreg Series, this standalone story does not need to be read as part of the series.

Kim says

Baby Donorw

Awesome book. This book was a page Turner that I just couldn't stop reading until the end. I had loved this book. I would highly recommend this book.

Marion Baker says

Lovely

I was pleasantly surprised that this book had both characters points of view. I love that!! It was THE thing missing in the last two books.

Anna says

I truly enjoyed this book. Loving the series because, well it's Mpreg!!!

Ally Lupold says

Excellent Series

Great reading ? the omega and alpha are true mates, yet they are weary about it at first. They come together when the alpha offers to be a sperm donor and their feelings become stronger.

Marjorie Williams says

Loved it!

I absolutely love this series! The characters and story lines are great! I can't wait until the end of June for the next one!

Heather Martin says

Baby Donor

The books in this series are quick reads with little angst and HEA endings with babies. A nice break when

you just need some happy.

Shelley Chastagner says

Very enjoyable third book in the Poppy Field series. Ace was a sweetheart with a bit of a dirty mouth at moments. Wyatt spent a great deal of time trying to talk himself out of what his heart really wanted; a life, family, and home with Ace. I really liked the ending and am hoping for the fourth book for to arrive quickly. Adult read

Lumturia says

Wow. The thing I really liked about this story? No artificial drama and huge misunderstandings. Wait, no misunderstandings at all - they really talked to each other. Also, the chemistry was great and characters were wondering about this instant attraction. Can't wait for the next book! :D

Barbara says

This was a very sweet contemporary romance with Mpreg. Ace is an omega who works at a fertility office and meets Wyatt a rich alpha. Both have instant attraction that they don't understand. Wyatt is a one time kind of man. He loves his work and doesn't have time for relationships. Ace wants a baby in the worse way, but bucking the alpha/omega system is beyond him. Wyatt volunteers to help Ace by donating his sperm in the "old fashion way." Can these two men, one who wants a family and one who doesn't make it together to make a family? An entertaining story to warm the heart. I voluntarily read and reviewed this ARC book.

Megan says

When presented with the future he wants by the very person he could imagine sharing that future with, Ace is beyond tempted. But is what Wyatt really offering everything Ace wants? Both of these men are trying to fight against an incredibly strong pull toward one another but for very different reasons. For Ace it's trying to protect his heart against an inevitable heartbreak from the alpha of his dreams that's determined to not be involved. And for Wyatt it's that he isn't interested in family life whatsoever but can't deny his carnal interest in Ace...or so he deludes himself into believing it's something that simple. When fate has another idea in mind for the two of them it's only a matter of time before they either give in to what could be or if they'll let pride and intractability keep them from a greater happiness than either could ever imagine.

Ace reads younger than he is. His shyness and eagerness and fumbling is more cute than alluring and yet he captures the interest of Wyatt. He believes the best of the sexy alpha and his admiration grows into a bit of fantasy and wishful thinking. Despite those increasingly sexy thoughts he has for the enticing alpha he doesn't think he could ever capture Wyatt's eye, let alone his heart.

Wyatt notices the young omega. Each encounter increases the intensity of his attraction. When they get a chance to communicate beyond their usual donor appointment dialogue it's clear that there are some serious sparks between them. Whether those sparks can grow into something deeper and longer-lasting, however, is

the question. Wyatt is sure it's just physical until a force compels him to be near and to protect Ace. This compulsion leads him to make the offer that sets them on the course of their destiny and only Wyatt's brand of obviously fatalistic honesty can derail it.

I liked Ace far more than I liked Wyatt. Wyatt's denial of everything throughout pretty much the entire story wore on me. Ace's submissive character merely brought out momentary feelings of ambivalence toward him but it's his refusal of Wyatt's second proposal that makes me really love him. Not giving in despite wanting the man so very much took courage and an inner strength that's admirable. Only when Wyatt opens his eyes to everything he's missing out on, what he was denying within himself does he do what's necessary to get Ace back. The ending was satisfying and I appreciated all of Wyatt's efforts to show Ace what he felt and the kind of future where Ace could truly be happy.

ARC willingly read and reviewed.

Julie Taylor says

Good

A very good sweat HEA omega verse story . I really enjoyed this one and I highly recommend it if you like omegaverse story's you'll love this

Vinga says

I really liked this book.
This is a great series.
Great characters.

Monica says

Good sweet nice story

Good, sweet, nice little story. Different from other Poppy Field, but same sweet live story with a bit of angst and thrill

Chris Kottner-Kirschner says

Ace Hamilton wünscht sich ein Baby. Leider hat er keinen Alpha zur Hand, der ihm dabei helfen könnte und eine Behandlung in der Fruchtbarkeitsklinik kann er sich nicht leisten. Dazu verdient er zu wenig als Rezeptionist in ebendieser. Allerdings belastet es den Omega zusehends all die glücklichen Paare zu sehen, wenn es mit dem Kinderwunsch endlich geklappt hat.

Alpha Wyatt hat diese Probleme nicht. Er hat nicht vor Vater zu werden. Also er will eigentlich kein eigenes Kind. Aber er will Paaren helfen Kinder zu bekommen, deswegen kommt er regelmäßig in die Klinik um

dort seinen Samen zu spenden. Dabei ist ihm der niedliche Rezeptionsist natürlich schon aufgefallen und irgendwann bittet er Ace um ein Date. Doch dabei soll es auch bleiben. Wyatt mag Ace zwar und fühlt sich zu ihm hingezogen, doch Wyatt ist ein wenig bindungsscheu und auch nicht das, was Ace sich eigentlich wünscht. Deswegen versucht er auf Abstand zu gehen.

Der dritte Teil ist ähnlich flauschig und unterhaltsam erzählt wie die vorherigen Geschichten. Ace und Wyatt scheinen nicht wirklich kompatibel. Hier trifft arm auf reich und auch sonst gibt es noch viele trennende Komponenten. Zwar möchte Wyatt irgendwann Ace bei seinem Kinderwunsch helfen, doch Ace will mehr. Und Wyatt kann oder will ihm das nicht geben. Zu oft wurde Wyatt schon enttäuscht und reagiert deswegen auch ein wenig distanziert.

Doch wirklich los kommt er von Ace dann doch nicht. Obwohl Ace wie ein richtiger Omega agiert, hat er doch genug Rückgrad um gegen Wyatt aufzubegehren und nicht von seinem Standpunkt abzuweichen. Das mag vielleicht ein wenig starrsinnig klingen und doch beweist Ace damit Entschlossenheit. Er ist zwar in der Lage Kompromisse einzugehen, doch verbiegen lässt er sich nicht. Und das braucht es auch um bei einem Alpha bestehen zu können.

Wyatt ist nicht ganz so sympathisch. Wieso auch immer er sich gegen diese Beziehung und die möglichen Folgen wehrt, ist ein wenig an den Haaren herbeigezogen und auch ermüdend. Dennoch empfehle ich die Geschichte gern weiter.

Debbora says

This is Book 3 in a Sweet m-preg. Series.
