Hussain Laghabi says

Easy to enjoy , difficult to write!

Rizky says

I had a thought the book is boring, but it didn't. I like how it ends, so funny.

Hamid,???? says

Funny..

the fourth book

Hajar Alobaid says

simple ..

Russischargeist says

I liked the book. It has a lot of performances that are continuing as opposed to the book "April in Moscow". The examples of sentences can really make a difference in the application of present indefinite and present continuing.

Ayman Agour says

The third book of English Graded Readers Mega Collection.
