Fire and Sword D. Brian Shafer

Unable to finish the battle at Calvary, Lucifer and his angels now deal with the fledgling Church that was born in great power of Pentecost. Lucifer tries hard to stamp out this spirit-empowered group of believers including murderous persecution and subtle corruption from within. You are part of the angelic realm as you watch the Lord work through Peter, Paul, Stephen, and others to build a supernatural Kingdom. This dramatic interplay illustrates the desperate battle waging around the early Church between the forces of good and evil.

Awesome book! This follows Paul. An eye-opener.

I really like this series since it stays rather scripturally correct while adding in the fictional angels to give a spiritual warfare point of view to how things got to be the way they are. The first book about Satan's intrigue and manipulating other angel's to rebel against God is still by far my favorite.
