The Dorothy Dunnett Companion: Volume II

Elspeth Morrison , Dorothy Dunnett

The Dorothy Dunnett Companion: Volume II Elspeth Morrison , Dorothy Dunnett

Dorothy Dunnett has earned worldwide acclaim for the masterful blending of historical fact and imagination in her two series of novels set in brilliantly reconstructed fifteenth- and sixteenth-century landscapes.

The Dorothy Dunnett Companion II is an encyclopedic resource that completes and expands the reach of the first *Companion* in documenting the historical and literary riches of Dunnett's Lymond Chronicles and House of Niccolò novels. In this second guide, Elspeth Morrison not only covers the final three Niccolò novels for the first time, but also provides a wealth of additional information about all of the earlier novels and highlights the links between the two now-completed series. Once again, she illuminates the real figures and events and the cultural and literary allusions Dunnett weaves into her works, translating foreign phrases and offering up fascinating background details, from the history of golf and the argot of galley slaves to the uses of puffins and polar bears. Together with the first *Companion*, **The Dorothy Dunnett Companion II** provides a complete and essential guide to the world of Lymond and Niccolò.

Dandie says

Very useful and enlightening reference to the works of Dorothy Dunnett

Snapperboat says

I think this and the first volume are almost a required adjunct to Lady Dunnett's books. Whilst they aren't stand alone works, they are interesting to browse in and of themselves.

Kathy says

Absolutely essential to get the most out of Ms Dunnett's books.

Valerie says

This is very helpful in deciphering some of the languages and its notations on historical events and characters.

Rebecca Huston says

This book (and the other two companion volumes) was a godsend when I was reading the Niccolo and Lymond series, with plenty of little bits to help untangle the more obscure bits of Lady Dunnett's masterworks. Very much recommended.

Slmcmahon says

a supplement to the first Dorothy Dunnett Companion. Includes information that would have been spoilers in the first book.

jrendocrine says

Read this first many years ago after finishing the Niccolo series - I was so in love with Niccolo that I didn't have any heart left for Lymond - and sped through the series. Now rereading 15 years later I appreciate the careful plotting and the brash and brilliant hero that is Lymond. Very much enjoying it. (Don't worry

Niccolo, I will always love you the most.)
