Takeo Goda is a giant guy with a giant heart. Too bad the girls don't want him! (They want his good-looking best friend, Sunakawa.) Used to being on the sidelines, Takeo simply stands tall and accepts his fate. But one day when he saves a girl named Yamato from a harasser on the train, his (love!) life suddenly takes an incredible turn!

Sunakawa's older sister, Ai, has had a secret crush on Takeo since she was little. But Hayato Oda, someone who goes to the same collage as her, is making some aggressive romantic advances. Can Ai sever her feelings for Takeo and accept Oda's feelings? Meanwhile, a girl other than Yamato has realized Takeo's appeal! A bonus story about Takeo and Sunakawa when they were in preschool is included in this volume!

My Love Story!! summed up in one meme:

I went to my local anime con last month and I got into a discussion after a josei panel with the panelist about why I still read shojo manga, and I said “Because I just need something fluffy that just makes me *happy*.” Not that josei can’t be fluffy or happy either, but there’s just something about shojo that makes me want to roll around squeeing.

And *My Love Story!!* is just the pure epitome of this. Yes, it’s about these two pure teenagers who absolutely adore one another and there’s really nothing that’s standing in their way as a couple, but it’s just so adorable *and shut up give me more*. (I’ve only watched the first episode of the anime so far, but OMG PERFECTION.)

We do get more into the atypical shojo romance tropes that the first volume touched on, and I do like that it’s Takeo who gets the brunt of the girls falling all over him. I actually thought it was sweet that Sunakawa’s older sister has a crush on Takeo, but she makes the decision to accept that Takeo and Yamato are together. (Not that Ai is completely over Takeo, but she keeps her distance and decides to try to move on.) I was afraid that the storyline with Shuei was gonna to go down the more typically path of “Oh, but she actually really does like Takeo!” (and I don’t think that this is going to stay platonic and friendly in the future), but I did like that it didn’t end that way. I really like that Takeo is all for encouraging everyone around them and willing to help them do their best, even if it occasionally means pushing them too much. (Also I can’t decide which panel was funnier in that story: Takeo doing the Hawkeye Initiative pose during the relay race, or Yamato’s sheer look of joy when she tries to get the GIANT cell phone charm plushie. “Rinko, no.” Oh my god these two. I need this bit animated so much.)

I also thought that the bonus story was adorably sweet, especially with the reveal at the end. Yes, it could be seen as too coincidental or too sappy, but it’s just so sweet and scared but being brave baby Takeo is precious.

This is slowly overtaking *Kimi ni Todoke* as my sweetly saccharine “I’M GONNA VOMIT RAINBOWS AND SPARKLES” fluffy shojo manga, because it just makes me so happy whenever there’s a new volume out. It’s adorable and funny, and I just get the biggest smile on my face whenever I’m reading it.

Book four and still really cute! It's super interesting to start to see girls falling for Takeo and seeing Suna's

quiet reaction to everything ridiculous that he does is beyond amusing. Like always, great art and amusing story. :)

Annemarie says

It's fine, but somehow I'm not liking it as much as I did when I started this series. I laughed so much reading the first volume, but the humour seems to be getting less and less each time.

That extra story almost made me cry. I didn't expect that ending. OMG. I love this couple SO MUCH. ♥

Ady Weasley says

Ha llegado un chico enamorado de Ai-san buscando a Takeo...pero este solo tiene ojos para Yamato y ni siquiera se entera de los sentimientos de Ai.

Un posible rival de Yamato??

La historia extra es muy linda...estaban destinados?

"Lo que verdaderamente importa siempre se encuentra."
Ai

Cuando pienso que no puedo amar más esto, llega un nuevo tomo, cada dos insufribles meses y veo que me equivoco. Amo mucho la historia y las playeras de mensajes subliminales de Takeo. Aunque en el tomo anterior hubieron más.

¿Cuánto dolor hay en el amor no correspondido?, en verdad me hace ponerme a pensar en lo afortunadas que son las personas al amarse o en la frase que escuche de esa película: "Si el amor no se confiesa pronto, te rompe el corazón de seguro." ¿Quién no ha pasado por algo así? Remueve recuerdos profundos.

Me gusto que Ai pudiera tener un cierre o especie de cierre con Takeo, no porque no lo hubiera aceptado antes si no porque cuando uno al fin acepta y decide pasar pagina es cuando la verdadera magia sucede y uno empieza a sanar. Entonces ya no tenía que gritarle sus sentimientos aunque de algún modo siento que lo hizo -amo las historias de amor- y que todo fuera orquestado por Oda me pareció un bello gesto. "Para que sea mi

turno."

La relación.. ¿Yakeo? ¿Tamato? ¿Taketo? ... de Yamato y Takeo se va desarrollando e intensificando. Takeo es muy inocente pero creo que se menosprecia demasiado, en esto le doy la razón a Yamato, que no te lo quiten pequeña, lucha. Aunque los ojos de Takeo solo te miren a ti.

Hay como una intuición rara ¿no? las mujeres olemos el peligro ... jajaja. Pero me gusta que vayan más allá de la malinterpretación y el drama innecesario a la acción.

Creo que siempre hay miedos, perder a quien quieres, si no funciona, si el amor se acaba, si hay alguien más, pero ellos lo comprenden y pueden encontrarle solución para vivir su bello amor y con Takeo que bueno, es más despistado que nada. ¡Takeo, deja de sonreírle a todos así! diría yo.. algo así... en estilo posesivo: tú sonrisa es sólo mía, pero bueno.

Suna, sálvanos de las malas decisiones, la confusión y las desgracias. Ya que lo monitoreas todo. A veces pienso que es la conciencia de Takeo o ¿su hado padrino?.

Siempre es un gusto leer un capítulo más de esta serie.

Y al final en el capítulo extra... casi muero de amor. Hermoso final.

This is an adorable manga and such a simple pleasure to read. Takeo Goda is a 6'7" giant lovable teddy bear who is rather tongue-tied around girls, even his swooning girlfriend Yamato. This volume has two stories that show us other girls are interested in Takeo, even though he is unaware of it and thinks he is not very popular. The first half has his best friend's sister trying to deal with her feelings that she has always harboured for Takeo while a boy from college has followed her home to try and win her over. The second-half concerns Takeo taking up training a girl in his class to help her prepare for a race in a school sports event which has her falling head over heels for him. Takeo is clueless, but the girl's intentions don't get past Yamato. The story deals with real teen relationship issues, a little overdramatic as we know to expect from shoujo manga, but these characters are good-hearted and kind-natured dealing with their feelings in ways that are unselfish. A feel-good sweet romance.

I love this story so much. It's everything I've ever wanted from a shoujo manga.

You don't have to wait for the end for the MC's to actually get together, or wait like 10 vol's just to see some progress. It's all there, right out of the gate.

This manga also takes all those normal shoujo manga cliché and pretty much destroys them in the funniest way possible. The stupid misunderstands that smother shoujo manga are quickly resolved thanks to the Suna. Speaking of Suna, he is probably one of the best characters in this story. He has Takeo's back, always. He even steps in to carry a girl for Takeo, knowing that said girl has a crush. No BS here.

I highly recommend this manga, this story. It's that near perfect love story that we've all been waiting for. Funny, sweet, and the nice guy finally doesn't finish last.

Happy Reading

-Emily

This is the best shojo manga being published right now. Maybe ever. I squee like a girl and laugh out loud as I read it. Takeo rules! He's the Casper the Friendly Ghost of great big guys. When you see a giant bear racing toward you, you don't stop to ask if he's a friendly bear, you just run. And Takeo cleverly twists that reaction to his advantage this volume.

Neko Neha (BiblioNyan) says

This volume has very realistic portrayal of jealousy in a relationship, but it's very positive & sends out good messages of respecting boundaries, which is rare in shojo manga. Most of the time nasty, repetitive triangles are involved that can kill story appeal. I think the way it's presented here is actually very good for pre-teens & early teens. Good message on self-respect & integrity.

Devin (Mostly Manga) says

That bonus chapter at the end was perfect!

Takeo Goda is my hero. <3

David Schaafsma says

The best and most adorable shoujo manga (for girls, a romance), featuring Takeo, a huge guy (6'7", 265 pounds) in love with Yamato. Improbable love interest, with his size, but he's just so nice. This is how Takeo got Yamato to begin baking him sweets, his protecting her from some jerk on a train.

So, are now there cracks in the edifice of love, built over three volumes made of desserts and flowers? Well, if Takeo is nice to Yamato, isn't he nice to everyone, creating the same effect for other girls? Yep. Suna's sister Ai struggles with her affections of Takeo, and a cute girl on the track team he coaches. This is the jealousy volume, though Takeo doesn't really see anyone but Yamato, he is interested only in her. But she is still nervous. She knows what can happen.

Maybe not quite 5 stars, for the first time, but it is still fun. Reading it with the 11 year old girl in this house. Also, reading for summer comics class with focus on girls.
