Wild Ones, Vol. 4 Kiyo Fujiwara

Is the boss's granddaughter too hot to handle, even for the yakuza?

Please note: reads right to left (Japanese Style)

Sachie Wakamura just lost her mother, and her estranged grandfather has shown up to take care of her. The only problem is that grandpa is the head of a yakuza gang! Too scared to join her new family, Sachie tries to continue living her normal life. She can't run far though, since one of the most popular guys in school is part of her grandfather's gang and her new protector. No one at school knows about Rakuto's hidden life, and soon Sachie finds herself falling for her bodyguard. But she's the granddaughter of Rakuto's boss, and he can never show his feelings for her. Can Sachie find a way to fit into her new family and grab her chance at love?

Rakuto's got an unlikely rival for Sachie's affections--little Kou, the son of a yakuza leader from Osaka. Seeing Sachie's positive effect on his son, Kou's father proposes that Sachie return to Osaka with them. Will Rakuto simply let her go?

2.5 I might be taking a break from this series for a bit. But I still want to complete it sometime.

Jamie says

Koh is quiet annoying! One minute he acts younger than his age, then tries to act older. His dad's spoiling of him is atrocious! Sob story or not is no excuse for catering to his every whim! Although I really did like seeing how his behavior toward Sachie got such strong reactions out of Rakuto. It is good that he is starting to express himself more. I loved the Santa and elf costuming scene! Haha. No one wanted to be the reindeer. Poor reindeer! And Rakuto needs to stop grabbing, lifting and carrying Sachie all the time! Bit too obsessive!! Especially since he is "just a bodyguard."

I don't have as much to say about this volume. I liked it okay but I got confused by the panels and drawing several times and the story didn't grasp me as much as it had previous times. I like the set up and the plot so far...it's just not a manga series that really clicks with me.

It's a pretty clean manga, maybe some minor cuss words and brief romantic drama. The occasional attack or theft. It's a sweet story and the characters are nice. It's interesting. I'm just not connecting that much :/

Series Review: Wild Ones is a funny and romantic manga that I really enjoyed beginning to end. The plot was great as well as the characters. I never got bored and the plot twists were often surprising. The ending was perfect for the series and well timed. If you are looking for some action along with normal high school drama this is the manga for you!

So, yeah...I saw a tiny review for one of the other volumes of this series about how manga is so sexist. And yeah, that's kind of true for the most part. In this series, Rakuto is always picking Sachie up and carrying her around and grabbing her and shaking her and leaning over her up against walls and getting all up in her face and whispering innuendos at her...you know, pretty boorish behavior in real life. And he's always saving her from some situation or other that she hasn't totally understood--Sachie's not always the sharpest knife in the drawer (although she will totally kick your ass). It's pretty stereotypical stuff. But I still can't help but love the two of them. The art is really well done, and I like that Rakuto doesn't look like every other hot manga guy out there--he's very distinct somehow. The awkward, well-meaning, puppy-like yakuza guys are funny, and Sachie's yakuza boss grandfather admirable and intelligent. The whole thing is ridiculous, but fun and romancy and well done, for what it is. I'm not reading manga for a dose of reality, after all! I really think this is one of the cutest titles out there right now.

So there. ;)

I enjoy this series, but parts are strange. Rakuto is scary at times... like when he bruised Sachi's wrist. Koh was funny. It kinda annoyed me that Azuma was absent for most of the time. One other pet peeve is all the little filler things- most mangas I have read have them, but it seems like those others had more connection to the story, where these are just kinda there.

Remincent of Special A and Gentleman's Alliance Cross, due to the way the girls act in all three. Still cute and worth reading.

Kristelle says

Sigh, This volume bored me I dunno why. The idea of the story was somehow good but it is just too tiresome. I think I got bored catching up with the story... I mean, it's too fast when it should be done unhurriedly and it's too slow when it should be done invigoratingly.

Lauren says

Enjoyable manga.

Danielle says

A yakuza leader from Osaka proposes that Sachie become the wife of his spoiled child, Koh. Still a bit weird, but not underwear thief weird. Lots of romantic angst. I really enjoy the humor of this manga.

Miss Ryoko says

This volume was kind of boring. The two stories were pretty predictable. I do however love the characters

and the art is really interesting to look at. Sometimes the characters' eyes remind me of the moonstones you can mine in Harvest Moon Magical Melody XD (Neeeeeeeerd :-p lol) My favorite pieces of art are always the chapter title pages. They're usually super fun. And Sachie is always wearing something neat. This one was my favorite one from this volume:

Sarah (A Weebish Book Blog) says

3.5 stars - least favorite so far, mostly because there was so much heartbreak. Still, I enjoyed myself. I need to buy the rest of the series ASAP.

Emma says

Romance develops quite a lot more between Sachi and Rakuto. I'm confused about what happened with Azuma, though. Koh came in and the whole Azuma line was pretty much dropped. I don't know, I'm confused by manga at least 40% of the time so maybe I should just give up. Maybe I made up the entire Azuma thing in my head?!

Anyway, the Koh storyline was weird and I'm glad it's over.

Making Azuma an idiot rather than a rival was an inspired decision.
