Li says

I didn't realise this was part of a continuity series when I picked this up - they tend not to work for me, and this one didn't really stand alone, I think. I could see hints of Wilks' later writing style here, so did find it interesting to see what has/hasn't changed over the years.

Lot of Twist and turns. Good start to the Ashton Family series.. i like the fire between Cole and Dixie. We will see where this series takes us.

Aly is so frigging bored says

I wanted to like it, but I got bored and then distracted with other books and just gave up on it.

Mem says

Good start to the Ashtons series.

Darla Stokes says

Not bad, not great. Quick reunion romance.
