Alisha says

A funny twist on Shakespeare's classic. It keeps the same plot as Macbeth, but is simple enough for the younger readers to understand. This book helped me understand the plot of the original play, when I was studying it in my senior years of high school. Great book to read, and love the little comic drawings on the margin of the pages, which help keep the interest of the reader and increase the enjoyment of the book.

Jane (yesmissjane) says

A crazy re-telling of Macbeth with fart jokes and food fights. Very, very funny in a kid humour kind of way. The one guy does all the voices - I don't know quite how he managed it - but it is more like a dramatisation than a straight reading. Lots of sound effects. Great to keep kids amused in the car.

MsCrowshaw says

4 stars

Kelsey says

I don't remember a lot about this book but I know how much I adored it when I was younger! Definitely my favourite book in the older years of my childhood

Locky says

Great book

Alex says

More of a boys book, a bit weird.....

Lauren says

It was a really funny book

Lou says

My dream come true! Andy Griffiths meets Willy Shakespeare! Yay! Two of my favs.. I ADORE this book. EVERYONE should read it..!!!

Deanne Harvey says

After reading Banquo's Son and Bloodlines I was in the mood for a bit more Macbeth so gave this a second read after a couple of years since first reading. Very enjoyable and made me chuckle. Great first introduction to Macbeth especially to primary school age boys.

Matty says

it was hell epic in my view

Neffa 🍑? says

I'm performing this play for my Drama Club, and after reading over the script I really enjoyed it. Its a very light hearted, immature, and obviously funny, version of Macbeth, and was a very quick read. I also really liked the little comics and doodles on the margins which added more interest to it. Overall, wasn't the BEST thing I've ever read, but I'm excited to perform it (I'm playing the character of Lisa), and think it will be very fun and hilarious.

Sophie says

borrowed this for nostalgia reasons, really, and because I'm studying Macbeth. but it turned out it wasn't really that funny so I sort of skim-read it. think I'm a bit old now.

Oliver Eastwood says

When Shakespeare and juvenile humour meet. Hilariously immature.

David says

Shakespeare with toilet humour: gold!

Megan says

I read this and listened to the audio book, both ways it was great! I love how its written like a play script, fantastic for kids to learn the rough outline of Shakespeare's play Macbeth. This book makes it fun and for all ages. I highly recommend it! ^w^
