### **Andy says**

Very cute, this volume was nice since we get to meet a lot of the other students. The plot is slowly thickening and I can't wait to see what's happening next!

### **Michele says**

Confusing if you haven't read #1; Miiko is the cutest cat.

### **Lanie says**

Nothing particularly memorable or enjoyable about this. The 1st one was ok, but I was bored here. As if I care about clubs. I wanted to know more about the snake, but instead it focused on picking clubs. A ninja club? Seriously? Was this meant to be cute?..... Just..... Ugh. & the conversations are kinda hard to follow. I will not be continuing with this.

### **Eleanor says**

I really enjoyed the story. The characters are very nice and the art is fantastic.

### **Candice M (tinylibrarian) says**

Super cute and just as entertaining as volume 1! Also, the mystery of the snake somehow becomes more mysterious!

---

### **Regsly says**

This volume feels more like little stories. "One day, this happened" sort of deal. Although, there are little pieces that will be important in the plot latter, I can tell.

Fune has some emotional intelligence, but she is really unperceptive and just... drops and forgets important matters very quickly, without solving them. Which is really frustrating. No wonder she didn't have good grades.

### **Miss Ryoko says**

I didn't like this volume as much as the first. It was kind of blah in terms of storyline and there were moments the dialogue was kind of confusing. A slight disappointment but I'll carry one.
