## No Flame But Mine Tanith Lee

Searching for the beautiful witch Jemhara, the magician Thryfe at last finds her in the reinvented town of Kandexa, where a strange and passionate wooing begins. From this union a son is born - golden-skinned, red-haired, blue-eyed - and thus the Lionwolf returns to the world of men.

## From Reader Review No Flame But Mine for online ebook

### Deviki says

For fantasy lovers this book might be your cup of tea .....But for me this book was dead bore (never been a great fan of fantasy)...I mean there are wayyyyy to many characters for me to remember ...although I had to give the author a credit for having variety of very interesting characters.....but still this book had failed to impress me.....the plot for hard to follow and at times I feel my mind drifting away.....sorry to say I had to stop reading this book half way ...hope to continue when I'm in the mood for fantasy fictions

### Debby Kean says

As is always the case with Tanith Lee, it was pretty weird! However it was also book 3 in a series, and therefore there were gaps in my comprehension. (Of course I will go back and read the previous ones when I can.)

But I give it an 'O for Awesome' to quote a famous NZ rugbyist...
