### Natalija says

Go into this book expecting a short, but deliciously funny and sassy story and you won't be disappointed. And Ashley, naughty and sexy as hell! Ahh...you gotta love him!

Definitely recommended!

### Kelly H. (Maybedog) says

Sweet and simple, well written but just needing more. I feel this way about all of Adams's books. I wish he would just write a freakin' novel!

---

### Susan65 says

How can you not love Ashley? He is just so cheeky, and the most ballsy guy ever. He makes you laugh from the first paragraph until the last page. I loved how Rick was his equal, in every way, and had his number from the get-go. These two together would be awesome in a novella...hint, hint, hint.

### Mandy\*reads obsessively\* says

Free super short story!

I've read this author's short stories and have enjoyed them all, they are humorous and original, this one is no exception.

Ashley loves wearing heels and sometimes wearing drag, but the heels are the real highlight.

Tonight he picked an out of the way raunchy bar to test if he can 'pass' as a woman, and when Rick comes walking over with a very obvious sign of interest in Ashley, he goes all out ! Good thing for him Rick seems to have a thing for heels and toes! :)

Holy cow, Ashley has a mouth on him, and I'm suprised Rick tried to resist at all!

I'm not sure if this is just a hook-up or if it is meant to be the start of something, but it's a fast quirky read.

ETA the sequel is out now!! :)

I wasn't expecting there to be so much interest in this already. When I added this to goodreads I realized I didn't have a blurb, I added it anyway, figuring I'd get the blurb done before anyone noticed. When I came back today today (12-07-12) I noticed several people have already added it to their shelves, and I just want to say I appreciate your interest in my work. I still haven't finished the blurb, but I will soon. I hope.

The wonderful cover was created by Shadowphen and I think she did fabulous.

## Exina says

*Dirty Drag* is a serial consisting of three shorts (*Dirty Drag*, *Dirty Drag 2: The Night Drags On*, *Dirty Drag 3: Beyond The Drag*), the story of Ashley and Rick.

Ashley is about proving he can pass for a real woman, wearing full drag. But Rick can't be fooled – not for a moment.

The story starts awesome. Their first encounter is very enjoyable.

*It was a lot of work doing full drag. Ashley was lucky to have natural curves and a shapely ass. It was easy for him to stuff a small, B cup bra and use a little makeup to silhouette his chest, making it appear like he had a luscious rack. The hair was easy, throw on his favorite wig and style it a little. Ashley preferred not to think about the unpleasantness that was dick tucking; tucking was a painful bitch. **It's not easy being a queen.***

Lots of dirty talk, “raunchy restroom sex” and other dirtiness.

## Bev says

**Shortie review for a shortie novella, which as usual, with Kyle Adams, I really liked. Yes, it was smutty, but very funny. 4 stars**

Ashley is fairly desperate to get laid, and goes to a bar dressed as Trashly Ashley, slutty drag queen extraordinaire!! He immediately catches the eye of a hunky guy Rick, who is sitting by the bar, but is a little late to make his move, and he waits patiently while 'Trashly' disses a guy who had the guts to make a move 'Redneck Joe'. Rick then swoops, and despite trying to take things slowly, 'Trashly' is all about heading straight to the bathroom with his beloved high heels of course.....Book 2 here I come!!

I am such a fan of this author and I tend to stalk his Goodreads page for information on new releases. Easy to

---

do considering he is a Goodreads friend. While I knew about this short, I did not know that it had already been released. I missed it by a day. I don't do that. I always try to read his work on the day of release. Thankfully, I was able to grab it as soon as I noticed it and stopped reading something else to jump into it. The other book can wait. :)

I don't normally post reviews on the blog I participate in for super short stories. Dirty Drag is super short, read by me in only a few minutes. Because of my love of all things written by Kyle Adams I am making an exception in this case as far as a blog post is concerned.

Ashley is on a mission to prove a point. He wants to prove that he can pass as a woman in a dive bar. He wants to find a guy, blow him and then move on quickly before the man finds out he's not a female. It doesn't quite happen that way. The first man to approach Ashley in the bar is a redneck with the worst pick up lines ever. He is dispatched quickly. The next one, however, is different. Rick is a sexy man who obviously wants Ashley but Rick has plans other than having Ashley blow him quickly under the table and then take off.

This is a quick, very sexy read. Both characters are perfect for the story. As mentioned above, there is not much to this as it is only a few pages, but this author has once again put so much in those few pages that I did not feel cheated. I always end his books wanting more but never not satisfied with the resolution.

Another great read by Kyle Adams.

The cover is amazing.

### **JustJen "Miss Conduct" says**

Well, this one is a little different than the previous Dirty stories. Gone is the cute sweetness I remember from the others. This one gets down and dirty but in a good way. Rick seems like a genuine nice guy for the most part, and Ashley (and even Trashley) seems like the perfect match for him. I wish this story was longer so we could get to know each of them a little more. Hopefully, this is just a taste, and there is more to come.

### **Kazza says**

*"I'm Ashley," he said in his most sensual voice. "I like long walks on the beach, eighties music, and anal sex. I'm the kind of girl who will do anything sexually." Sticking his tongue out, Ashley slowly rubbed his piercing along his bottom lip, "You also might be interested to know that I have no gag reflex."*

Woo, you go, Ashley!!

Kyle Adams writes a mean short. This was no exception. I loved it!!

I like a kink or fetish and we have a shoe/foot fetish going on here for those who like it :)

Ashley, good name, goes to a low brow bar, a dive, dressed as a woman in sexy clothes and fuck-me heels, it's all about the heels. He also wouldn't mind proving a point - he can look good in drag. He wants to blow-

and-go so no-one can work out Ashley is in drag.

Rick sees Ashley come in to the bar, knows Ashley is in drag, and is as interested as interested as can be. He wants some action with that sweet arse and fuck-me heels. He sits back lets a red-neck have a crack first and he goes in for the kill.

It's Kyle Adams, so you know a) it's short b) it's hot and c) it's well written. I certainly enjoy a short, hot well written story.

The dialogue was witty, the sex was **holy-shizballs-hot!** and Ashley and Rick, especially Rick, were engaging. I loved it.

I nearly forgot - Look. At. That. Cover!!

### **Vio says**

I wont pretend and say it's sweet, no whispered lovey dovey words, its get down and be dirty. A smutty, kinky meet up and ahem have the horniest ride of your life. I loved how Ashley was willing to go to extremes so he could get to wear his beloved high heels, he's in blissful heaven and so is Rick. A short and sexy read, it was a lot of fun.

---

### **Emma Sea says**

[ So, this is a "pub" (p. 1). It's *not* a gay dive bar.

*"Sal's got a lot of new patrons every night. It had a reput*

### **SheReadsALot says**

This is the third book that featured a drag queen that I've really enjoyed for the year. 2013, the year of the drag, maybe? Ashley was great, Trashley even better. Her game was tight.

'twas funny and sexy, how I really enjoy my stories.

### **Nancy says**

*In which Ashley tries to pass as a woman and fails.*

Ashley loves his high heels, but going out in full drag takes a lot of effort. He's looking for a quick hookup and a speedy getaway. No matter how convincing he may be, spending too much time with a guy will definitely blow his cover. Rick has other ideas.

This short, funny and sexy story was perfect for reading on the bus. Though the two men had distinctly

---

different personalities, they both exuded playfulness and quirky charm. What fun!

I would love to read a sequel, such a lovely couple.  
I would gladly pay for it ;)
