## **Elias's Clueless Witch** A.J. Jarrett

[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, shape-shifters, witches, HEA]

Nothing but pain and death follows in a witch's path. That was what Elias Neman had always believed, that is until he meets his fated mate, a mate who is the son of the most hated man in the paranormal world, and a witch.

Abel Brossard is absolutely clueless when it comes to being a witch and learning to control his power to freeze things is only made more complicated when he meets Elias. He's finding it hard to deny his attraction to the warrior, but Elias's constant bad mouthing his father leaves Abel questioning everything he thought he knew about the father who abandoned him.

Abel needs to find out the truth, is his father the monster everyone claims him to be or is there more to the story? There's only one way to find out and Abel hopes he hasn't just led him and Elias into a trap.

## From Reader Review Elias's Clueless Witch for online ebook

### Nikko says

Totally loved this couple!!

---

### Phaney says

Did anyone proofread this? At all?

I've seen a lot of bad editing over the years but this may be among the worst ever. Every few paragraphs we get a homophone error or a missing letter or an added one or some major grammatical mix-up. My guess is someone ran an automatic spell check to get rid of the squiggly lines and thought that would fix everything.

*Sense* isn't *since*. *More deeper* is as wrong as it gets. *Nit* is not the same as *knit*. *Freighted* certainly is not *frighten*. And *against* most definitely is different from *between*. (Seriously, the “war against good and evil”?)

Those issues made it difficult for me to take the narrative seriously. Simply because they cropped up everywhere. And don't get me started on the broken phrases.

Aside from all that, the actual romance portion and overall story development were actually nice. For once people weren't jerks to one another (or at least not for long) and some of the more obvious (yet appreciated) developments received confirmation in a rather big way.

### Hc says

The new info behind Asher and Benedict was welcomed.

Now for my biggest peeve in this book: Elias is the take charge guy and is is SHORTER! Yes, I'm traditional in that sense. I like the 'person on top' to be the bigger person. Just personal preference so of course I didn't like that aspect. Plus Elias reaction to finding out mate is a witch didn't jibe with how quickly he gets over it to make an effort with mate. Clearly it was an issue for a reason, but it was immediately swept away..

All in all, I liked it but not my favorite

---

### Leigh says

This book had a lot going on. Not only the mating of Abel and Elias, but it also revealed a new secret about the war between the light and dark. Things that were thought true are proven to be lies.

I enjoyed the mating of Elias and Abel. Both are easily likeable characters. Abel may be older than Elias but he is next to innocent about the ways of sex. Abel is so shy and skittish that the things he feels for Elias scare him at first. Elias needs to be patient and go slowly with Abel.

The funniest thing about the whole book is really that when Abel gets scared or nervous he accidentally uses

his gift. So things get frozen, including his mate Elias. Total laugh out loud moments for some of those scenes, at least for me.

I really liked this book. Yes there were a few editing errors, but I overlooked them since I enjoyed the story so much. There was nice tender feeling for this one. Abel is just simply adorable to me. Elias was really the right match for him. Plus the sex was damn hot.

This was a great addition to the series.

Warriors of the Light 10

Nothing but pain and death follows in a witch's path. That was what Elias Neman had always believed, that is until he meets his fated mate, a mate who is the son of the most hated man in the paranormal world, and a witch.

Abel Brossard is absolutely clueless when it comes to being a witch and learning to control his power to freeze things is only made more complicated when he meets Elias. He's finding it hard to deny his attraction to the warrior, but Elias's constant bad mouthing his father leaves Abel questioning everything he thought he knew about the father who abandoned him.

Abel needs to find out the truth, is his father the monster everyone claims him to be or is there more to the story? There's only one way to find out and Abel hopes he hasn't just led him and Elias into a trap.

Summary:

This book brought an interesting twist to the series as we began to understand that what that who Warriors of the Light thought was their enemy might not be correct. Abel's bumbling attempts to gain control of his powers was funny, but the devious and unique ways his teacher Quinn, a Warrior of the Light, used were hysterical. As Abel's past was revealed it was interesting how he was raised like any other human with and had no training until he was forced into the fight just to protect himself. I for one have a feeling that Abel's father Asher, the vampire, may have an important role to play in the struggle and can't wait for his story. Abel's mate Elias had vowed to get rid of all witches and vampires until he met Abel and began to see that not all things are as black and white as he thought they were. This is one story that shouldn't be missed!

---

## **Candice says**

I love Abel! That's all there is to it. I think it has something to do with his power though. I love the power to

freeze time :)

SENSE is NOT SINCE! OMG. I caught 'since' at least 8 times when it should have been sense. It was really frustrating. Yes, it's an editing error, but how many times can the author confuse the words?

---

### **Nessa says**

Abel and Elias were a great couple and their story was charming. I enjoyed reading this, especially since a few revelations have been discovered about Abel's father, Asher, who everyone believed to be extremely evil. In the meantime, Quinn (a warrior) is training Abel and teaching him to control his power of freezing people (and things). I felt really bad for Abel at first since I felt like Quinn was being a bit hard on him for a while, but eventually, Abel did learn to control his power a bit better. The story did hold my attention, and kept me engaged with the character's and the interesting plot.

---

### **Ter says**

I was looking forward to Abel's story since meeting him in last book. But had a hard time getting into this one, not sure why. I liked it just not as well as some of the others.
